

## This Week at Hagerty High School...

### *Principal's Message October 30, 2020*

On Monday, November 2<sup>nd</sup>, Seminole County Public Schools will be sending out a survey for students who are taking classes through Seminole Connect, Seminole County Virtual School, and all hybrid options for semester 1 to declare their intentions for semester 2. The data collected in this survey will be critical to the development of our schools' master schedule for the spring semester. All students/parents must respond to the survey by the 11 pm deadline on Monday, November 9<sup>th</sup>.

Hagerty High School will be working on student schedules for the second semester in the weeks between Thanksgiving Break and the Winter Vacation. Due to the fact that some of our teachers might also be returning from SCVS and Connect, our entire master schedule will need to be rebuilt. Therefore, I have instructed our counselors to block off their schedules for appointments during those three weeks so that they can focus on getting this task completed.

Again, the data that we receive from these surveys is critical. Please make sure that you look out for the survey and respond in a timely manner. Thank you and Go Huskies!

### *Student Services*

Counselors have completed **Senior Credit Checks**. To view the form, please have your parents login to their Skyward account, click Portfolio on the left, and attachments. With the new COVID adjustments, we are asking *senior students* who would like to conference to [book an appointment](#) with their counselor. The information has been posted to the **Student Services eCampus** page for students to view. These documents contain scholarship websites, Florida Bright Futures information, important dates, and so much more, please make sure to view these documents. Seniors are also asked to complete the [Senior Information Form](#).

Seniors needing **transcripts** are asked to complete one of the links found on the [HHS website](#).
