What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

Input meetings were hosted in the Spring and Fall of 2020. The parents, students and staff of Martin Luther King, Jr. Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact.

Parents are welcome to provide suggestions and feedback at any time.
