

THE BLACK AND GOLD

June 2021

Principal's Piece

Dear Highland School Community,

Thank you for another "interesting" and productive school year. In the midst of the pandemic - and all of that turmoil - our students, staff and community faced adversity and helped make this year successful. I can't thank everyone enough for your endless hours of volunteering, chaperoning, organizing, donating and doing whatever was necessary to support students—both at home and at school. Special thanks to our entire staff who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience. That experience could not occur without the endless energy, skills and devotion of the entire Highland staff - Food Service, Maintenance, Substitutes, Para-Educators, Mrs. Randall, Mrs. Frei, Mr. Weeks, Coaches, and Teachers... Thanks and well done to an incredible group of professionals.

I would also like to thank Mr. Heath and Mrs. Frei for their many years of commitment and service to our School and community. We all wish them well in their retirement. You both leave our school with a huge void that will not be easy to fill.

A final word to our Highland students: Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud to be a Highland Husky/LC Eagle. You keep me laughing and young at heart. I am grateful for your joy, astute insights and amazing talents. Best wishes to our graduating Seniors whom I will miss greatly—please come back and visit. Everyone have a safe and happy summer break. Until next school year, here's wishing you a summer of joy, laughter and learning.

Respectfully,
Mr. Fred

In The Classroom

High School Science - Mrs. Davis

Science classes are ending the year strong. Earth Science will be launching rockets. Chemistry is making fireworks. Life science is learning about mimicry in nature. 6th grade is learning about space. Physical science is working on light and reflection. Biology is working on digestion, and Anthropology is finishing cultural studies with Egyptian and Greek cultures.

Senior Field Trip

On May 7th, the Senior class visited Little Moose Prints in Troy, Idaho and Mike's Mechanical in Lewiston, Idaho. During their tour at Little Moose Prints, they learned the process of how screen printing works and how to put the images onto shirts. Highland ordered their FFA Sweatshirts from Little Moose Prints! The owner of Little Moose Prints also shared many facts about running a business. Next the class went to Mike's Mechanical and learned about the different jobs they offer and learned about the tools they use in the shop. Thank you to both companies!

Fourth Grade - Mrs. Horrocks

Highland 4th Graders have had a busy spring! This picture was taken down in Lawyer's Canyon the day we released 96 Steelhead into the creek. The kids are excited knowing their fish will hopefully make it to the Clearwater River and eventually the Pacific Ocean and back.

On May 20th , the 4th and 5th Grade took their jet boat trip into Hells Canyon with Killgore Adventures. We want to thank everyone for your support and help in making this trip possible.

We are still fundraising and would love it if you'd check out boonsupply.com and see if there's anything you can't live without. The link to our online sales is #241440 or can be found under Highland Elem. 4th grade.

HUSKY PRIDE!!

BPA

2021-2022 Highland Craigmont BPA Officers

President: Caristae Robinson
Vice President: Cheyanne Brown
Treasurer: Katie Goeckner
Secretary: Kalei Smith
Reporter: Keira White

The 2021-2022 officer group is really excited to bring new programs into the Highland-Craigmont BPA including more community service activities. They will be putting on a T Shirt Personalization fundraiser this fall during basketball and football seasons. More details coming this fall! 3 out of the 5 officers will be traveling to Dallas next spring to compete in the Open Events in the National Leadership Conference!

Giving Purpose to Potential

Valedictorian Highlight - Kobe Droegmiller

A word of advice for Underclassman:

Respect your teachers and don't always wait until the last minute to get things done!

What or who motivated you the most during high school and why?

My classmates and my parents because they always reminded me.

What has been the highlight of your high school career?

Sports; especially basketball

Your Senior Quote

"Happiness isn't having what you want, it's wanting what you have"

Salutatorian Highlight - Lane Wassmuth

A word of advice for Underclassman:

Be respectful to the teachers and don't be a quitter.

How have you changed since freshman year?

I have become a better leader and more social

Your Senior Quote

"Anything that is free is worth saving up for"

What or who motivated you the most during high school and why?

Taylor Crea motivated me the most because we always compete in everything.

What has been the highlight of your high school career?

Basketball and extracurricular events

Would you like to thank anyone? Final Words?

I would like to thank all my teachers for putting up with me all these years.
