Handbook

HANALEI SCHOOL MISSION

To empower the school community to take responsibility for meeting the educational needs of all our students and to foster a desire for life-long learning.

The Hanalei School Handbook is also on our website:

www.hanalei.k12.hi.us

HANAIEI SCHOOL VISION STATEMENT

Hanalei School will be an empowered school community providing successful quality education for life-long learning.

Our school vision was developed collaboratively with parents, students, teachers, administration, support personnel, and members of the community at large.

It speaks of the school community supporting the education of our youth. Hanalei School prides itself in serving as an 'ohana for the children and adults who come on campus each day. We have always aspired to maintain a close partnership with parents and the community at large and are proud of our very active PTA and the opportunities it affords parents, students, and staff. Hanalei School is a K-6 public elementary school serving the Princeville, Hanalei, and Haena communities. It is one of the few schools in the state that received a 6-year term accreditation awarded by the Western Association of Schools and Colleges.

HISTORY OF HANAIEI SCHOOL

Hanalei School is a small rural school which began as a missionary school in 1835. The school became Hanalei English School in 1881 and was adopted as a government school. This was the start of being a public school.

SCHOOL PHILOSOPHY

- Education is the process through which we discover that learning adds quality to our lives.
- Everyone deserves the opportunity to learn.
- Children are unique with their own talents, strengths, and needs.
- All children are active participants in the sharing of responsibility for their own learning.
- Active home support enhances and encourages learning.

GENERAL LEARNER OUTCOMES (GLOs)

The six General Learner Outcomes are the essential goals of standards-based learning for students in all grade levels and all content areas. All students are assessed on their progress in meeting these goals.

GLO 1: Self-Directed Learner - The ability to be responsible for one's own learning

GLO 2: Community Contributor - The understanding that it is essential for human beings to work together

GLO 3: Complex Thinker - The ability to be involved in complex thinking and problem solving

GLO 4: Quality Producer - The ability to recognize and produce quality performance and quality products

GLO 5: Effective Communicator - The ability to communicate effectively

GLO 6: Effective and Ethical User of Technology - The ability to use a variety of technology effectively and ethically

*****ATTENDANCE EXPECTATIONS*****

One of Hanalei Elementary School's top priorities is to educate the students that attend our school. Research shows that regular on-time attendance to school has a direct correlation to high student achievement. We need your support to make attendance a priority. Consistent instruction and daily classroom readiness can only occur with regular on-time attendance. If your child is going to be absent, please call the front office to let the school know. The school is able to work with families who provide a doctor's note to authorize an excused absence. Please submit all doctor's notes to the front office.

Hanalei Elementary School will make a conscious effort to keep you informed about your child's attendance by using the following process:

- **7 unexcused absences:** School will send Attendance letter "A" to family to emphasize the importance of instruction and student learning.
- **10 unexcused absences:** School will send Attendance Letter "B" home requesting a meeting with the administration to discuss support for improving student attendance.
- **15 unexcused absences:** Parents & Principal meet to discuss chronic absenteeism, review the Hawaii DOE School Attendance Policy, and determine a specific goal to avoid a Family Court petition.

In Hawaii, students are labeled chronically absent if they miss 15 or more days of school for any reason. Chronic absenteeism is a red alert that students are headed for academic trouble. The following may be a result of students missing school, whether their absences are excused or unexcused:

- frustration for falling behind on school work
- academic achievement is lower than the student's full potential
- may fall behind significantly and later drop out of high school

Yes, students are asked to follow the guidelines below, and staff, parents, and visitors are encouraged to model the guidelines while on the school campus.

- The Hawaii Department of Education requires that every student is dressed in appropriate footwear daily (i.e. tennis/gym shoes, slippers, sandals, etc., no high heels.) Shoes should be worn when walking from one location to another, and while in the cafeteria and bathrooms. Sensible footwear must be worn during any physical activity.
- Clothing will not display inappropriate words, messages, or illustrations depicting illicit/illegal substances or profanity.
- Shorts and skirts should be a reasonable length, indicated by the hem being no shorter than the end of the students' fingertips when their arms are placed down to their sides.

- Hoods or sunglasses should not be worn in the cafeteria or classrooms.

15. WHAT DOES THE SCHOOL OFFER IF MY CHILD NEEDS EXTRA HELP?

Hanalei School has a comprehensive student support system that ranges from basic support for all students, to specialized services from school staff, other Department of Education staff, and/or other agencies.

The first point of contact is your child's classroom teacher, so feel free to discuss concerns with them. Please set an appointment to do this so the teacher can give you his/her full attention without distractions. Your teacher might also call you to discuss the progress and needs of your child.

If further supports are indicated, either you or your child's teacher may contact the Student Services Coordinator (826-4300 ext. 108) and your child's progress and needs will be discussed at a Core Team meeting to see what types of interventions, services and assistance can be provided. Parents are encouraged to attend these meetings to work in partnership with the school team.

16. CAN MY CHILD BRING TOYS TO SCHOOL?

Students need to leave their toys at home unless they are invited to bring a toy (by the teacher) for the purpose of show and tell/sharing in class. In those cases, the toys must remain in the backpack until the teacher specifies that it is time to take them out.

17. CAN MY CHILD BRING A CELL PHONE TO SCHOOL?

If you want your child to bring a cell phone to school, we require that it is out of sight and remains in their backpack and turned off from 7:50am to 2:05pm, unless permission is granted by the teacher to use the phone under special circumstances.

No videos/photos of other students or adults are to be taken at school or on the bus, including before and after school. If there are issues with the use of phones before, during, or after school, parents will be called by the teacher or principal to notify you of the concern.

18. WHO DO I CONTACT IF I WANT TO VOLUNTEER

- Parent involvement is welcome at Hanalei School. There are many ways to become an active participant. The listing below describes *some* of the ways you can be of assistance while helping not just your child, but the school at large.
- Check with your classroom teacher to see how you can assist with your child's class. Sometimes, helping at home to assemble kits, or pre-cut materials can be a huge help.
- Become a trained tutor for reading. Meet with the tutoring facilitator to enjoy a rewarding experience.
- The Hanalei PTA (Parent Teacher Association) can use committee leaders and helpers.
- The Hanalei SCC (School Community Council) is another way to become involved.

19. WHAT IF MY CHILD IS ILL?

- If you keep your child home from school, please call the school office.
- If you go to the doctor, please remember to obtain a doctor's note for the absence. If you want homework for your child, please call the office in the morning to give the teacher time to assemble the work for pickup at the end of the day.
- If your child is ill at school, you will receive a call from the School Health Aide to discuss next steps.

20. WHAT IF MY CHILD HAS A DOCTOR'S APPOINTMENT DURING THE SCHOOL DAY?

Hanalei School requests that doctor appointments are made for after the school day. Knowing it isn't always possible to do that, the process is as follows:

- Parent checks in at the school office.
- The office will call the classroom and inform the teacher that the student is leaving school for an appointment.
- Parent waits for the child at the office.

If the appointment time is such that the student can return to school afterwards, the parent checks the student back into the office and then the student returns to class.

21. ARE SAFETY DRILLS CONDUCTED AT SCHOOL?

Safety for all is an important element that is maintained throughout the school day. Hanalei School routinely practices safety drills: fire, lockdown, earthquake, shelter in place, and school closure due to rain. We also practice off site and bus evacuation tsunami drills.

22. WHAT IF IT IS RAINING HARD AND THE HANALEI BRIDGE CLOSSES?

- School closure is determined by the Department of Education.
- Parents are encouraged to use their judgment whether or not to keep their child at home during uncertain weather conditions.
- School closures and important notifications will be posted promptly on our **school website**: www.hanalei.k12.hi.us and on our **Hanalei School Instagram**: [hanalei.school](https://www.instagram.com/hanalei.school)
- School closings, weather and bridge updates can be heard on KQNG radio (FM 93.5 or 94.5), phoning 241-1725 for an automated bridge announcement, or by checking the school website links.
- IF the river begins to rise while school is in session, school emergency plans will be generated in accordance with information indicated on the student's Emergency Closing of School Form.
- School Messenger automated messaging will be generated to all parents/guardians in the event of an evacuation or closure during school hours.
- **Please do not come to the school to pick up your child if you indicated on the form that you will pick them up at the Princeville Library.** The school will be in the middle of implementing emergency closing procedures, and taking time to alter plans for individual students can cause significant delays in evacuating all students in a timely manner. Your cooperation is appreciated!
