If you have not received a registration card, please contact your elementary school counselor.

The top of the card is preprinted with the student's demographic information. If the address listed on the card is incorrect, please update your address with elementary school personnel.

GLMS offers Advanced level coursework in all academic areas:

Language Arts I Advanced Math I Advanced GEMS (pre-req: PRIMES) Science I Advanced World History Advanced

Please add an "S" for Standard or an "A" for Advanced in the column entitled "Level"

If you would like to take GEMS Math, please replace the Math I course with GEMS.

A Pre-Requisite of PRIMES is strongly suggested, but not required. If a student is showing a strong aptitude for the subject and is academically driven, please enroll the student in GEMS

It is helpful to think of the blank column as a space that you can list the duration of each class. That will make it easy to add up all of your coursework to ensure you have enough classes to fill a 7 period day.

Class duration (1/2 year or year) correlates with ½ credit or 1 credit listed next to the course number on the inside of the registration card.

For example: Language Arts I Advanced (1 credit/1001020) = 1 year

-or-

I-Journeys (1/2 credit/9100110) =  $\frac{1}{2}$  year

These choices are contingent on FCAT/FSA and/or EOC results as well as class size restrictions.

Elective Options are listed in the middle and right columns inside the registration card. Please pick at least 4 elective choices and list them in order of preference.

For example, I love Chorus and Art is okay. You would list Chorus before Art.

\*\* If you would like to take PE for a full year, please include the class as one of your electives. Please note, the course code for the additional section of PE is different.

These choices are contingent on FCAT/FSA and/or EOC results as well as class size restrictions.

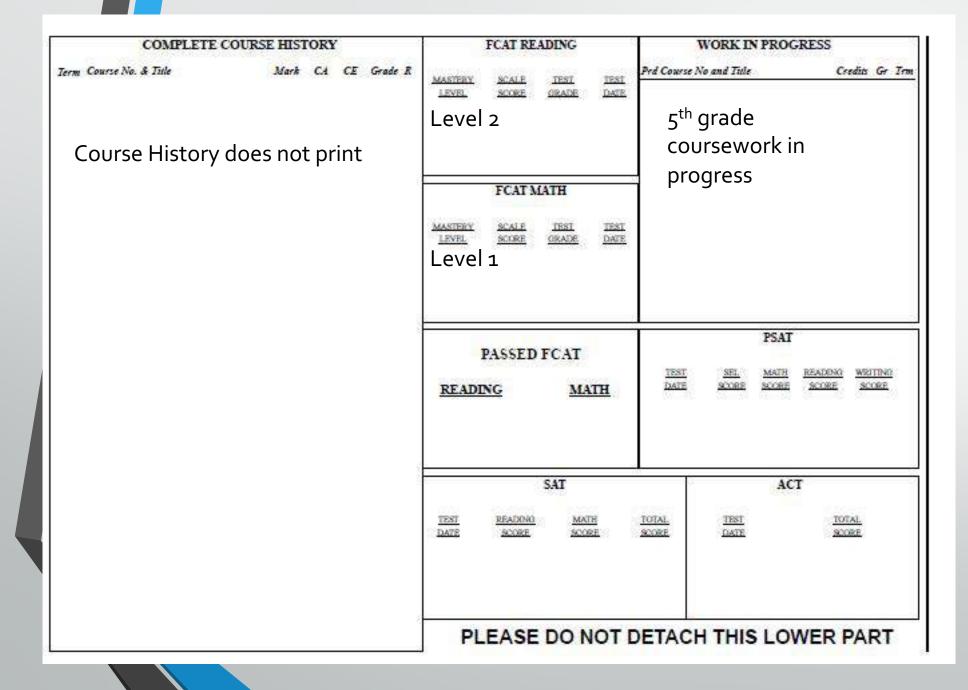

Teachers at the elementary school will have the opportunity to initial the registration card before the card is due to the elementary school counselor.

Please contact the current teacher if there are any questions or concerns regarding standard vs. advanced level coursework.

The back of the registration card lists prior standardized testing results and current coursework.

Generally, we recommend advanced level Language Arts and World History for students who score a Level 3 or above on the FSA Reading Assessment and advanced level Science and at least advanced level Math for students who score a level 3 or above on the FSA Math Assessment

Please note, if a student scores a Level 1 or 2 on the 2020 FSA Reading Assessment, the student will be enrolled in an Intensive Reading course that would replace 1 of his or her electives.

If a student scores a
Level 1 on the 2020 FSA
Math Assessment, the
student will be enrolled
in an Intensive Math
course that will replace 1
of his or her electives.

## MATH PROGRESSION

#### **KINDERGARTEN THROUGH GRADE 12**

Math Progression Plan for SCPS

### FAQ's

- 1) I am not going to GLMS next year. Do I have to fill this out? Yes, please. Plans sometime change.
- 2) Should I place my student in advanced level coursework?

  If your student is showing an interest in a certain subject and is willing to work hard, absolutely. If you still are unsure, consider enrolling your student in one advanced course in an area of interest.
- 3) Should I place my student in GEMS?
- If your student completed PRIMES, has an affinity for Math and has the available time to complete the virtual component of the course, please enroll your student in GEMS.
- 4) My student has an IEP/504/EP. What courses should my student take?

  Please list the courses that you feel your student will do well in. Any additional services needed will be discussed at the upcoming articulation meetings at the elementary school.

Please contact Ms. Kimberly Longarzo, 6<sup>th</sup> grade School Counselor, if you have any questions: Kimberly\_Longarzo@scps.k12.fl.us
