Dear WRHS Students and Families,

We are excited to start the 2021-2022 school year. Students and families will be able to access their schedules through their myStudent accounts beginning on July 30th, 2021. The myStudent accounts require a 24-hour processing window from activation to be able to view, so please create your account early. If you already have a myStudent account, you will not need to create a new one. Prior to July 30th, make sure you are able to log in successfully.

Prior to August 5th Open House

myStudent Parent Portal Account Information and Directions

STEP 1: Already a myStudent user? Do you have a myStudent parent portal account already created? If yes, skip this step and proceed to step 3 starting July 30th, 2021

If not, then you must create a myStudent parent portal account between now and Wednesday, July 29, 2021 by 5:00pm to ensure that it's activated in time for orientation.

TO CREATE A myStudent PARENT PORTAL ACCOUNT:

1. Navigate to Pasco County Schools website at www.pasco.k12.fl.us.

2. Click on the Parents tab.

3. Under Parent Links/Academic click on Check Grades/Attendance.

4. Click the yellow link to create a new Parent Portal.

5. Be sure to complete this process by 5:00pm on July 29, 2021 to be able to participate in the *Virtual Orientation Day*.
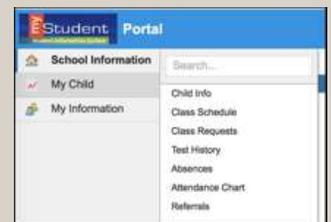

STEP 2: The first step is to pay student fees. There is a link in the messages section of the home page. Click on the text " Pay Student Fees" to initiate the process. Activate your Parent Portal Account by selecting "Activate Account" on the screen. Enter the email address associated with your myStudent account and select "Send Email" which generates an email to activate the account. Go to your email and select the link. Continue by creating your password. Once this is completed, you will be able to see the school fees based on your student's courses and any other fees as needed (Seniors will be required to pay their Class of 2022 fee). Now go to step 4!

STEP 3: The first step is to pay student fees. There is a link in the messages section of the home page. Click on the text " Pay Student Fees" to initiate the process. Now login and pay applicable fees based on your student's courses and any other fees as needed (Seniors will be required to pay their Class of 2022 fee).

STEP 4: After paying fees, return to the myStudent home screen. Complete the steps below to view the student schedule.

1. Open the "My Child Tab" on the left side of the screen.

2. Open the "Class Schedule" tab in the box that opens to the right.

• The classes listed are the current schedule for your child. These courses are connected to the fees that have been paid.

• There is a way to print the schedule at the bottom of the screen.

• Note: Schedules could change prior to the start of the school year as we balance and level classes.

We are **not entertaining** schedule change requests during Open House. We have created a separate system to communicate requests to the assistant principals for each grade level. You can access the form on the WRHS website, under the Student Services tab on July 30th.
