

Welcome to 6th Grade Accelerated Mathematics

What are we covering this year?

1. Rational Numbers (6th & 7th)
2. Number Fluency (Current) (6th & 7th)
3. Expressions (6th & 7th)
4. Equations & Inequalities (6th and 7th)
5. Rates & Ratios
6. Area & Volume
7. Statistics

Please make sure to have your student pull up the daily page on ItsLearning if they are absent. You can also see upcoming important dates, a calendar, and the standards we are covering.

[Click HERE](#) for the Georgia Middle School Math Standards

This week we are working on 7th grade standards about (7NS) rational numbers, additive inverses, and more absolute value. (7NS) Applying and extending previous understandings of multiplication and division of fractions to multiply and divide rational numbers. (7NS) Solving real-world and mathematical problems using the four operations with rational numbers.

IF YOU WERE ABSENT FOR TODAY

We have a quiz tomorrow – you can complete the practice for today to review.

Today's warm up

Using the numbers 5, 10, 15 and 20, make each line equal 50 going both up and down, and side to side.

How is my student graded?

SUMMATIVE - 80%

Summative grades include assessments, such as tests and projects, given after a unit of study has been completed. These grades represent the student's level of mastery of the Georgia Standards of Excellence.

FORMATIVE - 20%

Formative grades include quizzes and tasks that provide students with practice while learning standards in a given unit. These assignments are used to inform both the teacher and the student of the student's developing level of mastery of the Georgia Standards of Excellence.

Mastery Learning Plan/Recovery

- 1 test re-take per semester for advanced/accelerated)
- All formative work must be completed prior to re-assessment
- Reassessment opportunities are given during FLEX time, or by appointment as necessary.
- Student will receive full credit for the reassessment.
- In the event of a lower score, the higher of the two assessment grades will be recorded.

HELP!!!!

If a student feels the need for extra help, they can:

1. Come to my "FLEX TIME" Help Session on FRIDAYS.
2. I'm also available most mornings with an appointment (that sounds so formal - just send me an e-mail!)

Parents - one parent to another - bookmark Kahn Academy! It will help you all the way to college math!

BYOT Policy

Unless a teacher indicates that it is appropriate for students to use technology specifically for a BYOT lesson or activity, there should be **NO technology use from 9:00 am - 4:15 pm.**

If a student is using technology without a teacher's permission, his/her technology will be taken.

We have cell phone racks available for them in the back of room...

ATTENDANCE & Make-up Work

- Attendance is important, but if student misses school they should, if possible follow along on ITS Learning & complete ALL work. I turn on the page first thing in the morning, and it will be ready to go.
- All work can be found on ITS Learning (posted NLT 5pm same day)
- Bring all completed work to class on day of return
- **If child misses a Quiz or Test they should talk with their teacher to make a plan to get it taken care of.**

HELPFUL HINTS!

- ❖ Sign in as your student "see what they see"!
- ❖ Download the Infinite Campus app
- ❖ Toggle "notifications" on
- ❖ Answer Keys !
- ❖ Students should contacting using ITS Learning
(Parents through email)

What is Friday Academy?

Friday Academy meets twice a month to provide an opportunity for students to catch up on work that is past due for their classes. Students will stay at school with the assigned teachers and admin from 4:15-6:15 p.m. to make sure they are successfully completing their work. This will start in October and will continue periodically through the end of the year. Will call or email to confirm... “No news is good news”.

Friday Academy Policies and Rules

How does a student get recommended for Friday Academy?

If a student is missing ANY work they are recommended for Friday Academy.

How will I know if my student is in Friday Academy?

Parents will be called and emailed by the teacher the Monday BEFORE Friday academy.

What are the hours of Friday Academy?

- Friday Academy will be held from 4:15-6:15 p.m. All students should be picked up **no later than 6:15 p.m.** Students will text parents at 4:15 reminding them of the pick up time. Students will not have access to their phones after this time and until 6:15 p.m.

What if my student finishes their assignment before Friday Academy?

- If a student finishes his/her assignments by **4:15p.m. the Thursday before Friday Academy**, they will be taken off the Friday Academy list. Any work completed after that will be turned in during Friday Academy. We advise that students bring a book to read in case they finish early. Student who are attending Friday Academy are required to stay the entire 2 hours, whether or not they finish early.

Our next Friday Academy for the 2020-21 school year will be Friday, Oct 9th
