Data Collection and Access

Pursuant to 14 **DE Admin. Refer to the last page of this document for the **2022– 2023 Military-Connected Youth Student Information Update Form**, a standard form provided by the DDOE. This form shall be used by all districts and charter schools and distributed to new students as part of the student’s “Registration Packet” or to returning students as part of the student’s “Back to School Packet”. This form must be completed each year for each military-connected youth student. The data does not roll over each year, as a student may not be a military-connected student each year.

All student forms shall be collected, and data entered on or before September 30, 2022, **only** for students identified as “military-connected youth” on the DOE Military-Connected Youth Screen located in eSchoolPLUS under Student Center>Demographics>DOE Military-Connected Youth (see screen shot below).

The eSchoolPLUS>DOE Military-Connected Youth Screen should be restricted to only staff needing access to this information for programming and reporting purposes. Each district and charter school should determine who has access to the screen and assign security accordingly in eSchoolPLUS. Each district and charter school will ensure that the security resource for staff needing access to the DOE Military-Connected Youth Screen include Delaware State Custom, DOE User Defined Screen, MILYOUTH in order to restrict user access to the screen to avoid unauthorized viewing and/or changes to the screen.

The DOE Military-Connected Youth Screen will be maintained by DOE and initialized annually after each district and charter school’s end-of-year rollover.
