# STINGRAY FAMILIES

Here are a few important things to know which will help your child be successful and allow us to keep the school running smoothly:

---

- **Early Checkout Procedure...**

As a safety precaution, students will only be released to the parent/guardian, or the Emergency Contact listed on the Emergency Card. A current driver's license or state issued ID must be displayed to the camera and clearly state the student's name. The parent/guardian will wait outside for the student. **\*Students MUST be checked out before 1:20pm on Monday, Thursday, Friday and 12:20pm on Wednesdays.**

- **Cell Phones...**

Students may possess a cell phone while on campus. However, they **must be turned off** and stored in the student's backpack or locker. The phone shall not be used during the school day or on school buses. ***Failure to comply will result in the cellphone being confiscated.***

- **Dress Code...**

**Please read the dress code policy in the Student Code of Conduct posted on the school website.** Gamble Rogers Middle School follows the school district's dress code guidelines explained in the 22-23 Student Code of Conduct.

- **Lunches...**

Parents **will not** be permitted to drop off food from outside sources to their student during the school day. This includes fast food/restaurant meals. This DOES NOT include lunch boxes that students may have left at home.

- **Student Check-out...**

Please remember that parents must provide written excuse for any student requiring early dismissal. Students will turn the requests into the Front Office. Children will be released only to their parents or to individuals named on the Emergency Form.

## DELIVERIES TO STUDENTS

If a delivery is made for a student, we will put their name on our Message Board (located in the main hall), and it is the student's responsibility to look for their name between class changes and/or on the way to lunch. We cannot interrupt the instruction of students to deliver items.

---

## ITEM DROP OFF

Forgotten items **MUST** be in a bag and clearly marked with the student's full name and grade.

## DRESS CODE

The dress and grooming of our students should contribute to the health and safety of the individual, promote a positive educational environment and not disrupt the educational activities and processes of the school.
