Dear WRHS families:

I am pleased to introduce Naviance Student– a new, mobile-friendly, comprehensive website that your student can use to make plans about colleges and careers. The district is in the very early stages of Naviance Student implementation. Over the next several weeks, all students will be introduced to Naviance and begin grade-level self-discovery assessments to learn more about their strengths, interests, and personalities to identify majors, career clusters and specific careers that align with the assessment results. This initial step will allow students to utilize all Naviance Student’s college and career resources and utilize individual results to support their personal college and career planning.

Naviance Student has many features that allows your student to:

- ♣ **Get involved in the planning and advising process** – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- ♣ **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- ♣ **Research careers** – Research hundreds of careers and career clusters, and take career assessments
- ♣ **Create future plans** – Create goals and to-dos, and complete tasks assigned by the school to better prepare your student for future college and career goals.

Soon, Naviance Student will also let us share information with your student about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information. Please encourage your student to go to the myPascoConnect dashboard and click on the Naviance icon to access their personal student page and explore Naviance Student features.

We are very excited about the addition of this new resource to help students with college and career planning. As implementation evolves across the district, we will continue to provide you with updates. Thank you.

Sincerely,

Diamela Vergne
Assistant Principal
