Maggie Cowne
Assistant Principal

Dear Colbert Elementary School Parents,

It is the goal of the faculty and staff of Colbert Elementary to help each student have a successful and safe school experience this year. Students are more likely to experience success if they clearly understand the expectations for school behavior. Therefore, the Madison County School District developed a student handbook explaining school rules, procedures, and consequences, as well as providing general information to students and parents.

Every student at Colbert is receiving a **Madison County Handbook** and a copy of the **Madison County Code of Student Conduct** in order to help the students and parents learn the rules and procedures for our school and district. They are included in the **student agenda** for every grade level. In addition, Colbert faculty and staff developed a **school-wide positive behavior plan**. This plan supports individual teacher and grade level rules and procedures. A copy of the plan is available on the school website. Although lengthy, it is important that you sit with your child and review these expectations. There must be a strong connection between the school and home to alleviate discipline problems. Keep your phone numbers up-to-date and respond promptly when called to discuss an issue. Your signature or initials on the cover letter/affirmations page indicates that you have read and reviewed this with your child.

Sincerely,

Colbert Elementary Faculty and Staff
