Registration Procedures and Dates

- Students and their parent/guardian must complete the online registration form: <https://forms.office.com/r/GE2ewUwDtr>
- Registrations will be accepted from Monday, May 2nd through Tuesday, May 24th, 2022.

Cost and Payment

There is no cost for Summer School for the 2021-22 school year.

Attendance

Students have a limited amount of time to complete the coursework; therefore, daily attendance is critical and **required**. Attendance at the daily face-to-face meeting and adequate daily course progress are required. The Summer School director has the authority to withdraw students for lack of attendance or progress.

Grading Procedures

When a student fails and then retakes the same course, both courses and both grades are posted on the student transcript. Retaking and passing the course **does not** replace the failing grade.

Georgia Milestones End of Course (EOC)

EOCs are required for Summer 2022 courses.

Georgia Milestone EOCs for Courses will be administered June 27-30th at Otwell Middle School

- EOC Courses: Biology, American Lit, US History, and Algebra 1

Behavior

Summer School classes are conducted in a business-like environment. Students are expected to treat all staff and other students with respect and follow the FCS Student Code of Conduct and appropriate computer use. Failure to comply may result in removal from the program, solely at the discretion of the Director and cannot be appealed.

School to Home Communication

Much of the communication from the school to home during the summer school will occur via email. This includes information prior to the start of the course, attendance information, and progress updates during the period of time that classes are being held. Please be sure to provide an email address during the registration process that is monitored daily.

Questions

Contact your school counselor or email Mary Cooper at mcooper47@forsyth.k12.ga.us

Due to NCAA regulations established August 1, 2010, some non-traditional courses may not meet the requirements for initial NCAA eligibility. Courses completed via these virtual platforms meet graduation requirements for Georgia, but may not meet the requirements set forth by the NCAA. This may impact a student's NCAA eligibility during the first year in college.

Student Expectations

- Report to session on time each day
- If only participating in Session 2 classes, login to APEX and begin working at 12:00 pm Monday through Thursday
- Continue working on APEX coursework until 3:30pm Monday through Thursday
- Complete the course by Thursday, June 30th, 2022

- You will be required to take an EOC for the following courses: GSE Algebra I, American Literature, Biology, and US History. Students must report for EOC testing.

Grading Policy:

2022 Funded High School Summer School

- Final course grade will be an average of the unit computer scored tests (CST) and exams (midterm and final).
- EOCs will be taken for summer 2022 courses: GSE Algebra I, American Literature, Biology, and US History. EOC will be calculated into students' grades per district requirements.
- **When a student fails and then retakes the same course, both courses and both grades are posted on the student's transcript. Retaking and passing the course does not replace the failing grade.**
