GUIDELINES FOR CLUBS AND ZONES

District 50 "Sight Is Beautiful" Poster Contest

PLEASE BECOME FAMILIAR WITH THE RULES AND WITH THE CHANGES AND DEADLINES. Use this information to effectively plan your poster contest. This page is not for schools, but for the clubs and zone personnel.

PRIOR TO THE CONTEST—ZONE LEVEL

1. A **Zone Poster Coordinator** [either the Zone Chair or Lion appointed by Zone Chair] will coordinate SIB activities of clubs in the zone; ie. make sure clubs have guidelines, determine any zone prizes, set up zone judging and other duties. The poster contest will operate as a function of the zone, under the leadership of the Zone Chair.
Please submit contact information of this person to Lion Leona Kobashigawa.
2. Early in the school year, contact with the island DOE Superintendent or other school leadership (as per local custom) will be made requesting permission to conduct the contest. The Zone Poster Coordinator will need to make every effort to avoid duplication of effort.
 - a) A **letter** of permission is included in the packet that can be adapted to your needs and situation.
 - b) Please include **The Guidelines for Schools** with local/state timelines, plus **Standards for Judging**. When notified of approval, your zone and club chairs can "kick off" the contest.

CONDUCTING THE SIB CONTEST—CLUB LEVEL

1. Each Lions Club will be responsible for the scheduling, arranging with schools, establishing the number, nature and values of prizes, judging, local deadlines, etc. Please **fill in the bottom of the "Guidelines for Schools"** before submitting the forms/guidelines to schools and leadership.
2. In your judging, remember that each club can only submit **ONE winning poster PER DIVISION for zone judging** (not one per school)—regardless of # of schools sponsored.
3. Club judging must be **completed** and winning posters must be **in the hands** of your Zone Poster Coordinator by **February 18, 2023**. The **Club Poster Coordinator** needs to submit the **"Club Reporting Form"** to your Zone Poster Coordinator also by Feb. 18, 2023.

AFTER THE CLUB CONTEST—ZONE LEVEL:

1. Zone judging will be completed by **March 11, 2023**. Ensure that all posters judged at this level are free of disqualifications.
2. The Zone Poster Coordinator will submit only ONE (1) winning poster per division per zone for state judging, to reach D50 Contest Coordinator Lion Leona Kobashigawa by Thursday, **March 18, 2023**.
 - a. Make sure the complete contact information for each poster is correctly printed on the back. Child's name, grade, school, and sponsoring Lions Club. Make sure it is the correct name of your club. Please make sure it is legible.
3. The Zone Poster Coordinator is to complete the **"ZONE REPORTING FORM"** (which compiles zone club numbers) and submit to Lion Leona Kobashigawa by **March 18, 2023**.
4. The Zone Poster Coordinator will also be responsible for returning winning posters to the clubs after state convention.

Originality	40 points
Theme (How well theme is expressed).	20 points
Color.	20 points
Composition (How attractive is the poster).	10 points
Neatness.	10 points

Generally, children at these levels are still trying to acquire motor skills. Much of their work is experimentation with media and tools. Thus, their products are largely experimental, not representation.

Their colors are usually bright and unadulterated; not much mixing. There may be unfilled open spaces. Their sense of proportion differs from the adults in what is important to them is enlarged. A good piece is simple, free and large.

At this level, theme will not be easily recognized. It is difficult for children to comprehend this concept. Children at this age group also tend to use bright colors.

Dear Mr. Arakaki:

On behalf of the Lions Clubs of Kauai – Kauai Lions, North Shore Lions, Kapaa Lions, East Kauai Lions, Koloa Lions and West Kauai Lions, I am once again asking for your endorsement of the Sight Is Beautiful Poster Contest for this school year. With this contest, we encourage children to place a greater value on their ability to see the world around them.

Guide lines are the same as last year's and are included. If you would like to view more information on this contest and the service work of the Hawaii Lions, check out the website: www.hawaiilions.org. The "Sight Is Beautiful" link is one of many on the home page.

As the 6 Lions Clubs contact each school, they will establish deadlines for their judging their school's posters as well as a schedule of prizes. At this time, we would like your official support in this endeavor.

Looking forward to hearing from you soon and getting started on this historical project.

Sincerely,

JoAnn Steinfort
