Dear Parent,

During the 2021–2022 school year, all students in grades 3–8 and 11 will take the Smarter Balanced English Language Arts (ELA)/Literacy and Mathematics Assessments and all students in grades 5 and 8 will take the Hawai'i State Science (NGSS) Assessments. The dates we will be testing our students are as follows (but your child may take it on different days):

Grade 3: ELA/MATH:	April 28 May 4 and 10
Grade 4: ELA/MATH:	April 27 May 5 and 12
Grade 5: Science (NGSS):	April 14
ELA/MATH:	April 26 May 3 and 11

The purpose of the assessments is to provide you and your child's teacher(s) with information about the extent to which your child has met identified content standards in ELA/literacy, mathematics, and science, depending on your child's current grade level. A *Parent Information Booklet* with information about the Smarter Balance and Hawai'i Science (NGSS) Assessments and what you can do to help your child prepare has been posted online at <https://smarterbalanced.alohahsap.org/resources/>. Before the assessments, please visit the alohahsap.org portal. Translated Parent Information Booklets can also be found on the website, <https://hsa.alohahsap.org/en/resources/resources-2021-2022/smarter-hsa-parent-information-booklets-2021-2022>

The *Elementary and Secondary Education Act*, as reauthorized by the *Every Student Succeeds Act of 2015* (ESSA), requires states to establish challenging standards, develop aligned assessments, and build accountability systems based upon educational results. All students are included in a state's system of standards, assessments, and accountability.

The Department of Education strongly encourages all parents to have their children participate in the Smarter Balanced ELA/Literacy and Mathematics Assessments and the Hawai'i State Science Assessments so that we can better identify their academic strengths and needs.

If you have any questions, please contact the school at (808) 377-2419.

Sincerely,

A handwritten signature in black ink that reads "Brendan P. Burns".
