

### *2024 WLMS Baseball Tryouts*

Baseball tryouts will be held on August 5<sup>th</sup> and Aug. 6<sup>th</sup> from 8-10 A.M. at the Middle School baseball diamond (or inside the ES Gym if raining). **These days require mandatory attendance so please plan vacations accordingly.**

Before athletes will be allowed to tryout they must have a current physical, signed handbook agreement form, signed concussion form and a signed insurance waiver (these forms can be done electronically during the online school registration process). Physicals will be offered at the school on June 5<sup>th</sup> from 2-4 p.m. I highly recommend using this method as Mr. Reedy will have record of who received a sports physical thus making the team tryout process go much smoother. For incoming 6<sup>th</sup> grade students the required school physical will also count as a sports physical.

On the day of the tryout, players should be dressed in baseball pants and cleats. Bring a hat, glove, sunglasses, water, etc. Anything needed to get through the tryout process. If we must conduct the tryout in the gym tennis shoes must be worn and shorts along with baseball gear will be fine.

The roster will consist of up to 18 players. For those selected, a \$60 athletic fee, completed online school registration forms and all curriculum fee's must be paid before the first game.

Selected players will need the following:

- White game pants (with red pinstripe preferred)
- WL team hat (purchased from me)
- Red Belt
- Cleats (metal or plastic)
- Batting helmet (not mandatory to purchase, but recommended)
