

Dear Families and Students,

We hope you enjoyed the *Getting to Know New Trier High School* guide mailed to your homes. In this second communication, we are sharing an attachment with information about placement testing, PowerSchool sign-up and a transition calendar for the entire school year. As you will see on our Countdown to New Trier Calendar, we provide several occasions for students and parents to come to New Trier and learn about our academic and elective programs. We will send reminders and information about each event as we draw closer to the date.

See below for your student's official New Trier student ID number. This number will be required on many forms you will complete in the coming months. It is also the number your student will use throughout their four years at New Trier. *Please record this number and save it for future use.*

[Student First Name] [Student Last Name] [Student ID Number]

The following documents are included in the attachment with this communication:

1. Placement testing times, location, and other logistical details
2. Placement testing FAQs
3. Class of 2029 PowerSchool Sign-up information/Residency Verification information
4. Countdown to New Trier Transition Calendar
5. Map of the Winnetka Campus

Mark your calendars for these upcoming events:

Student Placement Testing at the Winnetka Campus

Saturday, November 9th

Saturday, November 16th

Families can choose ONE of the two available test days for their student. Procedures for both days will be identical. Please complete the [Placement Test Sign Up form](#) by **October 31st** to choose ONE test day for your student. You will need your student's New Trier School ID to sign up for the placement test (see above).

PowerSchool Account Sign-up — Class of 2029

Early December

Families will receive an email with details about how to set up a New Trier PowerSchool account for their Class of 2029 student. Students who **do not intend** to attend New Trier should communicate that to the registrar via email registrar@nthsh.net as soon as possible.

Stay updated on all things New Trier at our website at www.newtrier.k12.il.us. Find specific information for incoming students at www.newtrier.k12.il.us/incomingfreshmen.

We look forward to having our newest Trevians on campus. **Do not forget to record your student's ID number for future use!**

Thank you,

Lori Worth

Class of 2029 Placement Testing

Placement Testing at New Trier’s Winnetka Campus

1. New Trier’s Placement Exam will be administered on the dates below at the **Winnetka Campus**. Families can choose **ONE** of these two test days:

Saturday, November 9th
Saturday, November 16th

Families must use the [Placement Test Sign Up form](#) to register for **ONE** test day. **The deadline to complete this form is October 31st**. You will need your student’s New Trier ID number to sign up for the placement test. The procedures will be identical on both days.

**Students with accommodations will be testing at New Trier and can sign up for either test day.*

2. The New Trier placement test will be administered digitally this year. **Students must bring their sender school issued device on their testing day**. Students cannot take the placement test on a personal device because it will not have the testing program. If students do not have a school-issued device, New Trier will provide one for testing.
3. Students can enter the Winnetka campus at either of the two entrances:

Trevian Way, enter through **Northwest entrance N16**
 Winnetka Avenue, enter through **South entrance S2**

Families are encouraged to carpool to minimize traffic congestion and ensure students arrive on time. Staff will guide students to their assigned rooms and room assignments will be posted throughout the building.

Placement Test FAQs

Q: Is the placement test the only information that is used for level placement?

- The CTP5 tests are only one component of the portfolio used to place students in appropriate course levels at New Trier. The student self-assessment and writing sample are completed during the testing period and teacher feedback forms are completed at the sender schools. Parents will also complete a student profile when they sign up for a PowerSchool account. These materials are *all* an important part of the placement recommendations made by New Trier faculty.

Q: How do I register my student for the placement test?

- Complete the [Placement Test Sign Up form](#) by **October 31st**. You must have your student's New Trier ID number to sign up for a test day. You can find your student's New Trier ID number in the body of the email.

Q: What if a student has a conflict with the test dates or cannot test on a Saturday due to religious beliefs?

- Please contact the testing department at testing@nthsh.net to schedule an alternate date.

Q: What assessment instrument is used for placement?

- Five tests within the Educational Records Bureau's "The Comprehensive Testing Program 5" (CTP5) will be administered. The components of the assessment to be given are: Verbal Reasoning, Reading Comprehension, Quantitative Reasoning, Mathematics Part 1 and Mathematics Part 2. **There are NO calculators allowed on the CTP5 test.** Information concerning ERB and its programs may be found at www.erblearn.org. Students will be taking the placement test on their sender school issued electronic device.

Q: When and where should students report? How long is the test?

- Testing takes place on the **WINNETKA CAMPUS**. Students will enter through the Winnetka Avenue S2 door or the Trevian Way door N16 between 7:15 a.m. and 7:45 a.m.
- Posters will be displayed in the building with student names and assigned room numbers. Proctors will be available throughout the school to direct students to classrooms.
- **Students must bring their sender school issued electronic device. Students cannot use a personal device for testing. If they do not have a device, New Trier will provide one for the placement test. Please make sure student devices are charged.**
- Standard testing time is 210 minutes. Students with extended time will be able to contact guardians with approximate pick-up time. Students may bring water and a snack to eat during breaks.

Placement Test FAQs

Q: How will students with accommodations be tested?

- Students with accommodations will test at the Winnetka Campus on November 9th and November 16th. They should sign up for the test **by October 31st** using the [Placement Test Sign Up form](#). Students who have an active and current 504 Plan or IEP, as determined by their public school, through the Section 504 eligibility process, will receive all testing accommodations as noted on their active and current plan. This includes use of a calculator as applicable.

Students who receive accommodations in a private school or parochial school setting via a Learning Plan or other school specific plan should work with their private school to provide New Trier with the documentation used to determine the need for accommodations. Once New Trier receives documentation from the school, we will make a determination about eligibility for accommodations in a public-school setting. Eligibility requirements for accommodations in a private school setting can differ from those in a public-school setting.

Q: When will students receive the test results?

- Test results will be available to families in late January along with New Trier level recommendations and course selection materials. This year, all materials will be made available to families digitally. You will receive an email with a student specific code that will allow you to access your Class of 2029 student placement materials. New Trier will not be mailing test results/recommendations through the postal service.

Q: What should students do to prepare for the exam?

- THERE IS NO TEST PREPARATION NECESSARY FOR THE CTP5 PLACEMENT EXAM. The best way for students to prepare for this exam is to do well in their classes and continue to learn the skills and concepts that are being covered in their eighth-grade subjects.

**If you have any questions about testing, please contact the
New Trier Testing Department at testing@nths.net or 847-784-2258**

PowerSchool Account Sign-Up

PowerSchool Account Sign-Up — Class of 2029

In December, incoming 9th grade families will receive an email to set up a New Trier PowerSchool account. Establishing a PowerSchool account for your Class of 2029 student includes all sections listed below.

Completing all parts of the PowerSchool account sign-up is mandatory to ensure your family receives future communications about the transition to New Trier.

1. Student Demographic Information
 2. Emergency contact information
 3. Acknowledgement of Policies
 4. Student Profile Form
- Questions regarding PowerSchool account sign-up for the Class of 2029 should be directed to powerschoolsupport@nthsh.net
 - If your student **does not** plan to attend New Trier, please email your intention to the Registrar at registrar@nthsh.net
 - If your student is **undecided** about attending New Trier, it is important to complete the PowerSchool account sign up to receive future communications from New Trier

Annual Enrollment and Residency Verification via PowerSchool

In the Spring of 2025, incoming 9th grade families will complete the mandatory residency verification process. This process must be completed for students to receive their class schedules in early August.

You will receive more information about residency verification in the Spring.
