Effective July 1, 2007, Senate Bill 988-High Risk Offenders, was signed into law. Failure of the contractor to meet this requirement will void the contractor's exemption.

This provision will be strictly enforced.

2.20.2 Use of tobacco products shall only be allowed in designated area(s).

2.20.3 Contractor's personnel shall not play loud music, make unnecessary noises, or use language that causes offense to others.

2.20.4 The Contractor is not to use any Day Labor or temporary workers at any SCSD facility. This includes all technicians that are added subsequent to award. Failure to comply with this specification could result in immediate termination of the award and liquidated damages.

2.20.5 The employment of unauthorized aliens by any Contractor is considered a violation of Section 274 A (e) of the Immigration and Nationalization Act. If the Contractor knowingly employs unauthorized aliens, such a violation shall also be cause for cancellation of the contract.

2.20.6 Possession of firearms will not be tolerated on SCSD property; nor will violations of Federal and State laws and any applicable SCSD policy regarding Drug Free Workplace be tolerated. Violations will be subject for the immediate termination of any contract resulting from this Invitation to Bid.

2.20.7 "Firearm" shall mean any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be, converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any destructive device; or any machine gun.

2.20.8 No person who has a firearm in their vehicle may park their vehicle on SCSD property.

2.20.9 If any employee of a Contractor or Sub-Contractor is found to have brought a firearm on SCSD property, said employee will be terminated from SCSD contract by the Contractor or Sub-Contractor. If the Sub-Contractor fails to terminate said employee, the Sub-Contractor's agreement with the Contractor for SCSD contract shall be terminated. If the Contractor fails to terminate said employee or fails to terminate the agreement with the Sub-Contractor who fails to terminate said employee, the Contractor's agreement with SCSD shall be terminated.

2.21 Facilities Inspections: SCSD reserves the right, prior to award of any contract and throughout the bid period, to inspect the prospective vendor's facilities and place of business to determine that the vendor has a regular, bona fide establishment, that is presently a going concern and is likely to continue as such.

2.21.1 Qualifications to be evaluated may include, but not be limited to, the vendor's ability to service the School District in terms of: 1) delivering orders promptly and in an organized manner by customer-oriented drivers, 2) accuracy of invoicing, 3) providing accurate and timely reports, 4) capacity of the delivery fleet and 5) good communication with the Facility Staff.
