

John A. Crookshank Elementary School

Extended Day Program

2022-2023 Fee Schedule

Payments are due on the specified date listed below for each month. You are not required to pay monthly. However, if you would like to remain on the weekly fee schedule, please see attached for the payment breakdown. If at any time you need to make a payment switch, please provide Mrs. Weary with at least 1-week notice.

Florida state law requires that all services be paid in full prior to services being rendered. *Any late payment collected 5 days after the due date will be assessed \$5 additional. A late fee of \$5 will continue to be applied per every 5 days late thereafter.* If your account has an unpaid balance by the date listed in the "Covers Care Through" box below, your child will be unable to attend Extended Day until the balance is paid in full.

Below is a detailed explanation of our monthly payment schedule. The school calendar year consists of 180 days. Please note each month varies from another in the number of days attended. Due to the variance in days, we have broken up the fees into 10 equal payments for your convenience. All payments cover 18 days for the exception of Payment #5, which covers 17 days of childcare.
