

Title I Annual Meeting

2022-2023

Superintendent Message

- <https://www.youtube.com/watch?v=IJ4i0i28Eyg>

What is Title 1?

- Title I is a federally-funded program available to select schools, based on the percentage of students eligible for free and reduced lunch. Title I funds are supplemental to district funds given to schools and are to be used to increase student achievement.
- Title I serves all students and families in eligible public elementary schools through school-wide programs that provide additional instructional staff and other resources.
- Title I requirements below:
 - A written Parent Involvement Policy.
 - Hold an annual meeting to inform parents of the school's participation in the Title I program and their rights to be involved in the school, and about the requirements of Title I.
 - Jointly develop with parents a school-parent compact. The compact must state how parents, the entire school staff and students will share in the responsibility for improved student achievement and must be discussed during a parent/teacher conference.
 - Provide staff training on parent involvement.
 - Provide training and materials to help parents work with their children.
 - provide timely information to parents about the Title I program.
 - Provide (if requested) an opportunity for regular meetings to allow parents to participate (as appropriate) in decisions about their child's education and respond to suggestions.
 - Ensure that information sent to parents is in a format and language, to the extent practicable, that parents can understand.
 - Coordinate with other agencies/programs.

Curriculum

Students will have the opportunity to be engaged with the following curriculum:

- **AICE Program: Use of the Cambridge International Curriculum**
 - A rigorous international diploma seeking program (honors level)
- **Social Studies:** A variety of courses are offered to students (World History, American History, Economics, American Government, Geography, Psychology and Sociology). All of these courses use the Florida State Standards.
- **Science:** A variety of courses are offered to students (Anatomy and Physiology, Biology, Chemistry, Earth & Space, Environmental, Forensic, Marine, and Physics). All of these courses use the Florida Standards.
- **Math:** A variety of courses are offered to students (Algebra, Geometry, Algebra 2, Probability and Statistics, AP Probability and Statistics Precalculus, AP Calculus, Advanced Math Topics). All of these courses use the Florida B.E.S.T. State Standards.
- **English Language Arts:** A variety of courses are offered to students (AICE General Paper, English 1, English 2, and English 4). All of these courses use the Florida B.E.S.T. State Standards.
- **CTE Programs:** PHS offers Agri Science Foundations, Veterinary Assisting, Electrical (Energy), Certified Nursing Assistant, and Business Education. All of these programs align with the approved industry certification curriculum.

Assessments

Students at PHS will take the following assessments:

- **Common Formative Assessments** developed through each of the Professional Learning Communities.
- **District Designed Quarterly Checks**
- **End-of-Course Exams** (State and District)
- **AICE Exams** (If applicable)
- **AP Exams** (If applicable)
- **CTE Exams** (If applicable)

***All exam results will be made available to students and parents.**

Communication
