*"Where Learning is the Expectation
And Caring is a Commitment"*

Dear Students/Parents/Guardians,

It is my pleasure to welcome you to the 2022-2023 school year. As your Superintendent, I want to continue our effective communication with you and to share important information for your understanding. Our greatest student success is through a cooperative and supportive partnership between the home and the school.

It is with this priority in mind that I want to provide you with a copy of the Code of Student Conduct. Parents and guardians, please take the time to read and review this year's Code of Student Conduct with your child(ren). It contains information on the requirements for attendance, student dress and student behavior. This Code of Student Conduct also provides the explanations of the consequences and penalties associated with failing to meet requirements and standards set forth by this policy. Your knowledge and understanding of the information provided in this booklet is very important.

Please note that the District's *attendance policy* is printed in this booklet. The *attendance policy* gives complete information to students and parents regarding absences, tardies and the potential impact on academic progress. In Florida, as in other states, mandatory school attendance is established through state laws and rules. It is important for parents and students to understand and comply with those requirements. Regular and effective communication between parents and school officials will reduce or eliminate potential serious issues related to student attendance in schools.

Also included in the Code of Student Conduct are the *dress code requirements and guidelines* for student clothing. This information will assist students and parents in determining the appropriate clothing to wear at school and school-sponsored activities. The information should also be very helpful to parents and students when purchasing clothes to be worn to school.

I want to emphasize the position of the Citrus County School Board on *zero tolerance* for school-related violent crime, controlled substances, alcohol and student victimization. Violations of the *zero tolerance* policy will result in the most serious of disciplinary actions. Our goal is to prevent students from harming themselves or others. The *zero tolerance* position of the Citrus County School Board helps to ensure a safe school environment for students, parents and school personnel.

The appropriate behavior of students is critical to achieving student success, establishing a comfortable teaching and learning environment and maintaining school safety. Parents, guardians and students have an important role in ensuring safety in schools. It is your responsibility to report any action(s) and/or information that have the potential or intent to compromise the safety of students, school personnel and others in the school environment. To report information of this nature, please call the School Safety Hotline number at 1-888-ANY-TIPS.

On behalf of the Citrus County School District, I want to express my appreciation for your understanding of and support for the Citrus County Code of Student Conduct. I also want to thank you for your continued efforts to maintain the priority of a safe school environment. We believe all students are entitled to the greatest opportunities for success in our schools. Students should also be served in safe and comfortable learning environments. Your involvement in our schools and your support of the policies established by the School Board are vital efforts to achieve these goals.

Best wishes for a successful, exciting and enjoyable school year.

Sincerely,

Sandra "Sam" Himmel

CITRUS COUNTY SCHOOLS **CODE OF STUDENT CONDUCT**

Students in our schools have rights. These rights are given to students by the Constitution and are protected by laws and regulations. Students also have the responsibility to obey these laws and regulations which include federal laws, state laws, and rules established by the Citrus County School Board and individual schools. Many of the laws, regulations, and rules are explained in this booklet. Zero tolerance is an important aspect of Citrus County School Board policy. It is important that everyone understand that our zero tolerance policy applies to all students.

The law requires that each school district develop a Code of Student Conduct. Our Code of Student Conduct was developed through input from the school community. The Code of Student Conduct is made available to students, parents or guardians, and school personnel at the beginning of each school year and is available on the District website at www.citrusschools.org - Parents & Students.

The Code of Student Conduct applies to all students, regardless of the location that educational services are being delivered. Students are required to follow the Code of Student Conduct whether attending school traditionally at a school site, or attending school through the virtual environment. Students who attend school through the virtual environment consent to the recording of the virtual classroom.

Students in Citrus County schools will be able to participate in any educational program or activity without regard to race, color, national origin, religion, sex, marital status, or disability. If students feel that this policy is being violated, they should discuss it with school personnel. If students are not satisfied after discussing the problem with school personnel, they should contact the District Equity Contact, at the address below for the procedures to follow for filing a complaint:

Additionally, students and parents are responsible for the safety and maintenance of the electronic device and will be responsible for all damages and/or replacement value of the electronic device.

ATTENDANCE POLICY

It is the position of the Citrus County School Board that students must attend school on a regular and timely basis to maximize educational opportunities offered in Citrus County Schools. Regular and timely student attendance can be successfully achieved through a strong partnership between the home and school representatives.

This policy is applicable for all Pre-K-12 students in Citrus County, both in brick and mortar schools or online through virtual learning. The superintendent may approve exceptions to this policy for special programs, such as alternative education, magnet programs, and adult education programs for the purpose of enhancing the goals of these programs.

I. SCHOOL ATTENDANCE

The parents or guardians are responsible for their child(ren)'s attendance and to follow compulsory attendance laws.

Florida Statute 1003.21 requires: All children who have attained the age of 6 years or who will have attained the age of 6 years by February 1 of any school year or who are older than 6 years of age but who have not attained the age of 16 years, except as otherwise provided, are required to attend school regularly during the entire school term. Students are obligated to attend one hundred eighty (180) days of school each year. Regular attendance is a critical component for student success. Students between sixteen (16) and eighteen (18) years of age who plan to terminate their school enrollment must complete a formal Declaration of Intent signed by the student and the student's parent or guardian prior to the termination going into effect.

Pursuant to Florida Statute 1003.26(1)(b) If a student has had at least five unexcused absences, or absences for which the reasons are unknown, within a calendar month or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar-day period, the student's primary teacher shall report to the school principal or his or her designee that the student may be exhibiting a pattern of nonattendance. The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's child study team to determine if early patterns of truancy are developing. If the child study team finds that a pattern of nonattendance is developing, whether the absences are excused or not, a meeting with the parent

must be scheduled to identify potential remedies. The principal shall notify the district school superintendent to refer the student exhibiting a pattern of nonattendance to the school district contact for home education programs.

Specific to Virtual Schools:

Citrus eSchool monitors student attendance by measuring progress toward course completion. Students are expected to log in daily and submit work in each class weekly, according to pace expectations. Students who do not stay on pace are considered absent from class. Students must stay on pace in each course to remain enrolled in Citrus eSchool.

Truancy can impact enrollment in virtual classes. Students who do not maintain pace by working consistently and in proper sequence on required assignments may be withdrawn at any time from Citrus eSchool.

If a student is not successful in the virtual setting, it may be in the best interest of the student to attend a traditional school where daily monitoring and assistance in time management and task completion can occur.

Citrus eSchool students follow the same calendar as brick-and-mortar schools.

A. Parent Responsibilities

1. Florida Statutes 1003.21 and 1003.24 clearly define the responsibility of parents for the attendance of their child(ren) at school. The school district expects parents to fulfill their responsibilities to ensure student attendance in school.
2. It is the responsibility of the parent(s) to be aware of all absences and the penalties associated with excessive absences and unexcused absences and tardies. Schools will provide information to parents about attendance requirements, will make reasonable attempts to notify parents of student absences, and will work with parents to resolve attendance concerns. The principal/designee will contact the parent or guardian to determine the basis for unexcused absences or absences when the reason is unknown.
3. If a student has unexcused absences and it is determined that the student's parent or legal guardian is at fault for these absences, the appropriate school personnel will adhere to Florida Statutes 1003.24, 1003.26 (Enforcement of School Attendance), and 1003.27 (Court Procedures and Penalties).

B. Non-enrollment of Compulsory Attendance Age Students

Written notice shall be given in person or by return-receipt mail to the parent(s) or guardian(s) or other person exercising *in loco parentis*, when no valid reason is found for a child's non-enrollment. If the notice and requirement are ignored, the designated school representative shall report

the case to the superintendent and refer the case to the Student Services Department for compliance with the Florida Compulsory Attendance Statute (Florida Statute 1003.21).

C. Notification of Loco Parentis

In cases in which a student is not residing with his/her parent(s)/guardian(s), the parent of the student must designate in writing the adult person(s) with whom the student resides who stands in *loco parentis* so that the student may be admitted to or continue in school. This statement must be notarized and presented to the principal/designee for acceptance.

II. STUDENT ABSENCES

A. Excused Absences

1. Excused absences, tardies, and permission to leave school early will be allowed only for the following:
 - Illness of the student when provided medical documentation.
 - Medical appointments of the student seen by a medical provider. This does not apply to students with documented chronic conditions.
 - Treatment of autism spectrum disorder by a licensed health care practitioner or certified behavior analyst
 - Head lice, a maximum of two (2) days for each occurrence
 - Major illness in the immediate family of the student
 - Attendance at a funeral as approved by School Administration.
 - Death in the immediate family of the student
 - Religious holiday of a student must be documented by parent/guardian (3) days in advance
 - Subpoena or forced absence by any law enforcement agency to fulfill civic duties, (A copy of the subpoena or court summons must be presented to the principal or designee.)
 - Major disaster that would justify absence in the judgment of the administration
 - Planned absences approved in advance by the principal/designee

2. It is the responsibility of the parent(s) or guardian(s) to provide a written statement indicating the reason for the absence within two (2) days of the student's return to school. If the written statement is not provided by the parent, the absence(s) will be unexcused. The written statement must include the following information for each absence:

- Date the excuse is written
- Date(s) of the absence(s)
- Full name of the student
- Reason for the absence
- Day time telephone number of parent or guardian
- Signature of the parent or guardian

Final determination of whether an absence, tardy, or early dismissal is excused or unexcused is the responsibility of the local school principal/designee. Any planned absences, other than medical appointments, must be approved in advance by the principal/designee.

III. TARDIES & UNEXCUSED DISMISSALS

- A. A tardy is defined as an arrival to class or school after the designated starting time or the tardy signal has sounded. Reasons for excused tardies are the same as for excused absences. Three (3) unexcused tardies are equivalent to one (1) unexcused absence.
- B. Students may leave early for those reasons accepted for excused absences. To leave school early without an acceptable reason is an unexcused absence/early dismissal. Three (3) unexcused early dismissals are equivalent to one (1) unexcused absence.
- C. Parents are encouraged to maintain student attendance for the entire school day with minimal interruptions or unnecessary requests to leave school early. For high school, a student must attend each class period a minimum of 50% to avoid being marked absent.
- D. When tardies or early dismissals become excessive, the problem may be addressed through a required parent conference with the school principal/designee, and appropriate disciplinary action may be taken. The disciplinary actions may include, but not be limited to:
 - Detention
 - In-School Suspension
 - Saturday School

IV. SCHOOL RESPONSIBILITY AND AUTHORITY

- A. After 10 days of excused or unexcused absences, a written statement of illness from a licensed health care practitioner will be required for subsequent absences due to illness indicating they are under the supervision of the physician. Absences previously documented by a licensed health care practitioner, a court official, a church official and out-of-school suspension are excluded from the 10-day absence count.

(NOTE: For purposes of this policy, a licensed health care practitioner is defined as follows: medical doctors and persons who are licensed to practice medicine in psychiatry, osteopathy, podiatry, optometry, dentistry, or chiropractic medicine. An Advanced Registered Nurse Practitioner (ARNP) or a Physician's Assistant (PA) practicing under the protocol of a supervising physician is also allowed to sign.)

If no medical documentation is provided, further absences are considered unexcused. Failure to comply with these requirements, followed by continued absences of the student, may result in disciplinary action as defined in the Code of Student Conduct (i.e., detention, in-school suspension, Saturday school, etc.) and considered appropriate by the school principal.

A parent conference with the school's social worker may also be required to discuss compliance with the Florida Compulsory Attendance Statute (Florida Statute 1003.21).

- B. If a student has had at least five (5) unexcused absences, or absences for which the reason is unknown, within a calendar month or ten (10) unexcused absences, or absences for which the reason is unknown, within a 90 calendar day period, the student's primary teacher shall report to the school principal/designee that the student may be exhibiting a pattern of non-attendance. The principal shall, unless there is clear evidence that the absences are not a pattern of nonattendance, refer the case to the school's child study team to determine if early patterns of truancy are developing. If the child study team finds that a pattern of nonattendance is developing, whether the absences are excused or not, a meeting with the parent must be scheduled to identify potential remedies. (Florida Statute 1003.26)
- C. After fifteen (15) unexcused absences accumulate within any ninety (90) calendar days, District Student Services will determine the appropriate steps for the enforcement of the Florida Compulsory Attendance Statute (Florida Statute 984.151).

V. PROVISIONS AND DIRECTIONS FOR MAKE-UP WORK

A. Excused Absences

1. Students with excused absences are given the privilege of making up work for credit. Students are allowed the same number of days for make-up work as the number of days absent, not to exceed six (6) school days. The principal/designee may grant extensions to the make-up time limit for extenuating circumstances. It is the student's responsibility to obtain and complete all make-up work within the time specified.
2. All scheduled tests and assignments that were due on the first day of a student's absence will be taken or turned in on the day the student returns to school.
3. Planned absences, other than medical appointments, must have the prior approval of the principal/designee. At least three (3) school days prior to the absence, students are to make pre-arrangements for their test(s) and school work to be completed. Tests are to be taken and work will be due the day the student returns to school.

B. Suspensions

Students suspended out of school may be denied the opportunity to makeup work for credit. Determination of this consideration is the responsibility of the local school principal/designee.

VI. ENFORCEMENT OF COMPULSORY SCHOOL ATTENDANCE

In cases of excessive absences, tardies, or early dismissals, a school social worker may visit or make other contact with the parent(s) or guardian(s) at the home or other places to discuss the attendance problem for the purpose of returning the student to regular attendance. Legal action against a student and parent(s) or guardian(s) may be taken for not complying with the Florida Compulsory School Attendance Statute (Florida Statute 1003.21).

VII. DRIVING PRIVILEGES

Students who fail to comply with attendance requirements **will** lose their driving privileges. **Pursuant to Section 322.091, Florida Statute requires schools to report to the Department of Highway Safety and Motor Vehicle (DHSMV) the names of minors who attain the age of 14 and above that have accumulated 15 unexcused absences in a period of 90 calendar days.** The school principal/designee is the contact for additional information regarding these requirements.

VIII. ATTENDANCE RECORDING

Student attendance records are to be maintained in accordance with School Board Policy. Students who are on hospital/homebound or home placement instruction are counted as present.

HEALTH INFORMATION

School Health Services are provided per Florida Statutes and per the School Health Services Plan. Specific laws governing health related issues and medication in schools include Florida Statute 1006.062 and Florida Administrative Code 64F-6.0002. School Health Services are supervised by the Florida Department of Health and the Florida Department of Education, however, the principal at each school has immediate supervisory authority over the health personnel working for each school. The Director of District Student Services has immediate supervisory authority over the itinerate nursing staff in the district. School Health Services include: health assessment, nursing assessment, preventative dental programs when available, vision screening, hearing screening, scoliosis screening, growth and development screening, health counseling, referral and follow up of suspected or confirmed health problems by local health department, meeting emergency health needs, referral of students to appropriate health treatment, consultation with parent/guardian regarding the need for health attention, review and maintenance of health records, and assisting ESE with placement and re-evaluation of ESE students.

Per Florida Statute 381.0056, a student will be exempt from School Health Services if his or her parent or guardian requests such exemption in writing. Written consent of a student's parent or guardian shall be obtained prior to any invasive

screening (any screening which the skin or body orifice is penetrated; i.e. dental sealants).

Medication

Medications should be brought to school only if it is necessary to give the medication during school hours.

Students are not allowed to carry medications on their person. This includes prescription and over-the-counter medications. Tylenol, cough drops, and eye drops are examples of over-the-counter medications. The only exception to this rule is for students who carry a metered dose inhaler, epinephrine auto injector (i.e. epi-pen), diabetic supplies or pancreatic enzymes and have a “*Student Authorization to Carry*” form signed by their parent/guardian and a licensed health care practitioner (for definition, see “NOTE” on page 11).

Established protocols for medications are included in the Citrus County School Board Policy Manual and the School Health Procedures and Forms manual which are located at each school. Key points include:

- Medication **must** be brought to school by an adult.
- Medication must be brought to school in its original container.
- All prescription medications require a “*Authorization for Medication*” form be completed and signed by the parent/guardian.
- All Over-The-Counter medications require a “*Authorization for Medication*” form be completed and signed by a parent/guardian and a licensed health care practitioner (for definition, see “NOTE” on page 11).
- Student medication authorization forms are available in each school clinic and on the Citrus County School’s website under the “*Parents & Students/School Health Services*” tabs.
- A separate form is needed for each medication.
- New student medication authorization forms are required at the beginning of each school year.
- Alternative medicines and treatments, such as herbal treatment for ADD/ADHD, caffeine pills, aloe for burns, meat tenderizer for bee stings, etc., require a note from a licensed health care practitioner, (for definition, see “NOTE” on page 11).
- Herbal medication prescriptions may be accepted by a Doctor of Oriental Medicine that has a valid license issued by the Florida Board of Acupuncture and require a “*Student Authorization for Over-The-Counter Medication*” form be completed and signed by a parent/guardian **and** the Doctor of Oriental Medicine.
- All medications will be dispensed in the school health room unless a specific individual need is being addressed. Accommodations must be approved by the school administrator.
- Parents/guardians are encouraged to pick up student’s medications at the end of the school year. Leftover medications will be disposed of under direction of the school nurse within one day of the last day of school.

Specialized Medical Equipment in Schools

Any equipment to be used by or for a student must have a written order from a physician. This order must be specific as to timing, dosage (if medication is involved), special usage, and length of time.

A note from the parent/guardian authorizing school personnel to operate or supervise usage of specialized equipment will be in force for the duration of the doctor's order. At the start of the new school year, a new note from the parent will be required.

- Examples of Equipment: Canes, Crutches, Glucometers, Halter Heart Monitors, Nebulizers, Suction Machines, Tube Feedings, Wheelchairs, etc.
- Parents/guardians are encouraged to notify the school nurse if their student comes to school with a sling, cast, ace bandage, special dressings, or any other medical needs.

Allergies

Most allergies are minor annoyances which may cause sneezing, runny nose, watery eyes, or itching. Occasionally a student or staff member may have a severe allergy which causes respiratory distress, swelling, or an anaphylactic reaction as documented by a physician's statement. In an effort to accommodate these individuals, it may be necessary to request students or staff members to refrain from wearing perfume or cologne, having animals in class, or bringing in identified food products such as peanuts. It is our hope that in these cases everyone will respect the right of all individuals to work and learn in an environment that will not make them physically ill.

Health Screening

School-based screenings are conducted at Citrus County Schools as required by Florida Statute 381.0056. This is a cooperative program of the Citrus County School Board and the Citrus County Florida Department of Health. The Homosassa Lion's Club assists with Vision Re-Screens. A student will be exempt from the screenings if his/her parent/guardian requests such exemption in writing. The note must include the student's name, type of screening to exclude from, parent/guardian signature, and date. The note must be given to the School Nurse within the first two weeks of school or the first two weeks of school enrollment to ensure receipt before screenings start.

ZERO TOLERANCE FOR SCHOOL-RELATED VIOLENT CRIME

It is essential that schools be safe and orderly to provide environments that foster learning and high academic achievement. The Citrus County School Board and Administration support the State Education goals to provide an environment that is drug-free and protects students' health, safety, and civil rights. This goal emphasizes the personal responsibility of students and the necessity of involving all stakeholders, including parents, in achieving this goal through education and prevention. However, there must be a clear statement that violence in schools will not be permitted. Zero Tolerance shall be the rule in Citrus County School District for violent acts of school related violence, crime, and the use of weapons on school property, school-sponsored transportation or during school-sponsored activities.

Students who are determined by the School Board to have committed one of the following violations as defined by Florida Law or this code while on School Board owned, operated or maintained property (including a school bus or other school or School Board vehicle) or while at a school/School Board sponsored activity (whether on or off a school site, or School Board owned, operated or maintained property) **WILL** be expelled from all Citrus County public schools, with or without educational service, from the student's regular school for a period of not less than one (1) calendar year.

- (a) **Bringing a firearm or weapon**, as defined in Florida Statute 790, to school, to any school function, or onto any school-sponsored transportation, or possessing a firearm at school.

NOTE: For the purposes of zero tolerance, a "firearm" means any weapon (including a starter gun) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; any destructive device; or any machine gun. The term "firearm" does not include an antique firearm unless the antique firearm is used in the commission of a crime. "Weapon" means any dirk, knife, metallic knuckles, slungshot, billie, tear gas gun, chemical weapon or device, or other deadly weapon except a firearm or a common pocketknife, plastic knife, or blunt-bladed table knife.

It is the policy of the Citrus County School District that no student shall possess a firearm in a vehicle on a school campus. This policy is in conjunction with Florida State Statute 790.115 (2) (a) 3.

Students will be referred to mental health services identified by the school district pursuant to Florida Statute 1012.584(4) and the criminal justice or juvenile justice system.

in a violent manner against a person or persons) respectively, involving school or school personnel's property, school transportation, or a school-sponsored activity.

NOTE: If a student poses a threat of violence or physical harm to himself/herself or others, it shall be reported to the School's Threat Assessment Team for evaluation. Threat Assessment Team evaluation becomes part of the student's educational record and is transferred to any school the student attends within 3 days pursuant to Florida Statute.

The School Board takes these matters seriously and any substantive threat will result in the most serious of disciplinary consequences. Transient threats and false reports will be addressed on case-by-case basis.

Students will be referred for criminal prosecution and mental health services identified by the school district pursuant to Florida Statute 1012.584(4), for evaluation or treatment, when appropriate.

District school boards may assign the student to a disciplinary program for the purpose of continuing educational services during the period of expulsion. District school superintendents may consider the 1-year expulsion requirement on a case-by-case basis and request the district school board to modify the requirement by assigning the student to a disciplinary program or second chance school if the request for modification is in writing and it is determined to be in the best interest of the student and the school system. If a student committing any of the offenses in this subsection is a student who has a disability, the district school board shall comply with applicable State Board of Education rules.

Any student found to have committed a violation of Florida Statute 784.081 (1), (2), or (3) (Assault or battery on specified officials or employees) shall be expelled or placed in the district alternative school or other alternative program as deemed appropriate. Upon being charged with an offense under Florida Statute 784.081 (1), (2), or (3), the student shall be immediately removed from his or her school of regular attendance and placed in the district alternative school, or other alternative program as deemed appropriate and as required by Florida Statute 1006.13(5).

The school district will invoke the most severe consequences provided for in the Code of Student Conduct in dealing with students who engage in violent criminal acts on school property, on school-sponsored transportation, at school bus stops, on school buses, or during school-sponsored activities. **Violent or disruptive students WILL be assigned to an alternative educational program or be referred to mental health services identified by the school district pursuant to Florida Statute 1012.584(4).**

ZERO TOLERANCE FOR CONTROLLED SUBSTANCES AND ALCOHOL

It is the intent of the Citrus County School Board and Administration to make very clear that there is a **zero tolerance** relating to drugs and alcohol. There will be disciplinary action taken in matters involving possession, usage, delivery, sale, or the intent to sell or distribute drugs or alcohol on school property, on school-sponsored transportation, at school bus stops, on school buses or during school-sponsored activities. The law enforcement agency that has jurisdiction shall be notified as soon as possible of all violations involving drugs and alcohol.

The School Board does not consider the individual use of the following to be violations of this section if used according to the manufacture's recommendations:

- a. Non-medicated lip balm, i.e. chap stick
- b. Sunscreen protection in a liquid or lotion form. No aerosol sunscreen protection is allowed.
- c. Hand Sanitizer is an exception to the zero tolerance policy provided it is used to sanitize hands and is not taken internally.

Controlled drugs and narcotic substances will include those substances listed in Chapter 893 of the Florida Statutes and any prescription drug in the possession of anyone other than the individual for whom the drug or narcotic was prescribed. The delivery of a prescribed drug to someone other than the person for whom it was prescribed will also violate school policy and subject the student to disciplinary action.

Possession of controlled substances or alcohol by a student with or without consumption or usage will result in suspension for a minimum of 10 days pending

further investigation for possible expulsion. If expulsion is determined to be warranted, the expulsion will be for a minimum of **one academic quarter** with or without continuing education services.

Possession of controlled substances or alcohol by a student and the giving, sharing, delivery, or the intent to distribute the controlled substance or alcohol to another person will result in expulsion from the school district for a minimum of **two academic quarters** with or without continuing education services.

Possession of controlled substances or alcohol by a student and the sale or delivery, or the intent to deliver for compensation to another person will result in expulsion from the school district for a minimum of **one academic year** or four continuous quarters with or without continuing education services.

Consequences of zero tolerance relating to controlled substances and alcohol may be modified at the elementary level through the recommendation of the principal and the approval of the Superintendent or designee.

Our School Board always retains the right to review each case on its merits and circumstances and determine the appropriate penalty notwithstanding the minimum set forth herein. Additionally, principals at each school shall have the discretion of waiving or modifying the mandatory 10-day suspension for students in possession of controlled substances or alcohol, provided the incident is the first incident of drug or alcohol possession by said student, and the student cooperates in the admission of possession or voluntarily assists administration in the apprehension of others involved in drug or alcohol possession or distribution.

ZERO TOLERANCE FOR STUDENT VICTIMIZATION

Any student who is found to have committed or pleads guilty or nolo contendere to a felony violation of any of the crimes identified in Florida Statute 1006.13(5) shall be subject to transfer from the student's home school if said student is attending a school attended by the victim or sibling of the victim of the offense. The student may be transferred from said school and shall not attend any school attended by the victim or victim's sibling or ride on the school bus on which the victim or sibling of the victim is riding. The offending student or the parents of the offending student shall be responsible for arranging and paying for transportation associated with the transfer of schools.

ZERO TOLERANCE FOR GANG-RELATED ACTIVITY

No student shall participate in a gang or secret society, or engage in a gang-related activity that is in violation of the Florida School Law; including, but not limited to, any action that promotes gang participation, the advertising of gangs, or gang-related activities.

DISCIPLINE

Students, both individually and in groups, are expected to follow all laws, regulations, and school rules. School personnel shall have the authority to enforce all school district rules on school property, on school-sponsored transportation, at school bus stops, on school buses and at school-sponsored activities. Any student or group of students not following the instructions of teachers or others in authority (i.e., teacher aides, bus drivers, etc.) will be reported to the principal/designee and disciplined appropriately.

DISCIPLINARY INTERVENTIONS

Everyone in society must follow rules and regulations in their daily lives. School rules and regulations are necessary to promote learning and provide for health and safety. There are consequences for those who break the rules. It is vital that parents support our actions when rules are broken.

TYPES OF DISCIPLINARY INTERVENTIONS

Every school must use the options that best meet the agreement of their school:

1. **REVIEW OF RULES & POSSIBLE CONSEQUENCES**
Students who break a rule may participate in a discussion with administrators, teachers, certified school counselors, school resource officers, or others in the school system. This discussion may include suggestions as to how the rule can be followed in the future and consequences if the rule is broken.

2. VERBAL CORRECTION
Any member of the school staff may verbally correct a student at the time of the misconduct.
3. TIME OUT
Time out (removal from class activities) may be utilized to help students gain control over inappropriate or disruptive behaviors in accordance with local school guidelines. Time out levels include in-class, out-of-class, and monitored isolation.

Students may be removed from their regular classes and be given other supervised activities. These activities may include work details. (See item #10)
5. DETENTION OR SATURDAY SCHOOL

7. PARENT CONFERENCES
A conference between the parent or guardian and school personnel may be required. During this conference, ways to change behavior will be discussed.
8. WRITTEN ASSIGNMENTS
Students may be given extra written work as a consequence for misconduct. This work will be of an educational nature and not repetitive writing.
9. ALTERNATIVE PROGRAMS
Schools may establish special programs. These programs may require a student to attend special classes in an attempt to change behavior.
10. WORK DETAILS
Students may be required to serve on supervised work details. These details may include cleaning, washing, picking up litter or other appropriate work.
11. PAYMENTS FOR DAMAGES
Parents or guardians may be required to pay for damages when students have stolen or destroyed property.

12. REMOVAL FROM LEADERSHIP POSITIONS
A student may be removed from a leadership position (i.e., class officer, club president, team captain, safety patrol, etc.).
13. RESTRICTED FROM ACTIVITIES
A student may be kept from attending or participating in any school-sponsored activities (i.e., athletic contests, band concerts, plays, field trips, etc.).
14. STUDENT BEHAVIORAL AGREEMENT

15. CIVIL CITATIONS
Students may be referred to law enforcement for civil citations. Civil citations may be issued for misdemeanors, including possession of tobacco products, within 1,000 ft. of school.
16. DIVERSION
A recommendation may be made to law enforcement that a student who commits a criminal offense be allowed to participate in a civil citation or similar pre-arrest diversion program as an alternative to expulsion or arrest. Whether to arrest or not is at the discretion of the law enforcement officer.

Teachers may recommend that students be removed from class for repeated disruptive behavior or a violent incident (Florida Statute 1003.32).

19. SUSPENSION FROM SCHOOL
Students may be suspended by the principal for up to ten days. Students will be remanded to the custody of their parent(s)/guardian(s) during the specified suspension. The superintendent may extend the suspension through the next regularly scheduled School Board meeting in the event a recommendation for expulsion is received by the superintendent. Students on suspension are prohibited from being on any school property, on school-sponsored transportation, at school bus stops, on a school bus, or attending school-sponsored activities during their suspension. Suspensions are considered unexcused absences. Students on first-time suspensions are allowed to make up graded work only if they make a request to the principal or designee no later than 2 days after their return to school. All made up work must be submitted for grading within 3 days of receiving the assignments or within 3 days following the conclusion of their suspension.

Students with multiple suspensions, extended suspensions, or suspensions resulting from misbehavior related to in-school suspension, detention or Saturday school may be ineligible for this consideration.

20. **EXPULSION**

Expulsion is the removal of the right in Citrus County to attend school, be on any school property, on school-sponsored transportation, at school bus stops, on school buses or to attend any school-sponsored activities. Students may be expelled for the remainder of a school year and one additional year with or without continuing education services. The School Board of Citrus County has the exclusive authority to expel a student from school upon recommendation of the superintendent.

When the behavior of a student with a disability results in a pending expulsion, an IEP or 504 meeting will be held as soon as possible, but no later than 10 school days after the removal decision in order to conduct a manifestation determination. If the IEP or 504 team determines the student's behavior was related to the disability, the student's placement cannot be changed by school personnel as a disciplinary intervention. If the IEP or 504 team determines that the student's behavior was not related to the disability, the relevant disciplinary procedures applicable to students without disabilities may be applied to the student in the same manner in which they would be applied to students without disabilities. However, services are provided in accordance with Rule 6A-6.03312(5) FAC.

STUDENT DRESS CODE FOR CITRUS COUNTY SCHOOLS

The Citrus County School Board recognizes that clothing fashions change and that fads come and go, but distinctions still need to be made as to what is acceptable attire for educational purposes. Some clothing which might be appropriate in other settings would be completely inappropriate and disruptive for the learning atmosphere in a school setting.

The principal or designee is responsible for interpreting and clarifying the student dress code upon student or parent request. The principal or designee is the final authority for interpreting and applying the student dress code related to special events and activities conducted at the school.

Students will dress in attire which does not distract from the learning process or the educational environment. The Citrus County School guidelines specify the following:

- Clothing should not be sexually suggestive, and it should cover and conceal body parts, e.g. chest, midriff, back, legs (to mid-thigh or longer), shoulders (2" wide shoulder straps minimum).
- Clothing should cover all undergarments.
- Shorts, skirts, or pants should be worn at natural waistline.
- Attire should not illustrate, enhance, or depict tobacco/alcohol/drugs, nor have offensive, racial, gang-related, sexual or violent messages, or images.
- Attire should contribute to the health and safety of all students and staff. Jewelry, shoes, accessories, hair color and hair styles must be free of conditions that could be considered hazardous or disruptive.
- Accessories such as, but not limited to, spiked necklaces, spiked wristbands, spiked earrings, and wallet chains are not permissible.
- Blankets and/or sleepwear (i.e. pajamas, house slippers) are not allowed.
- Any accessory which attaches to your body or clothing causing disruption, distraction, or a safety hazard is not permissible, as determined by the principal or designee.

HEAD COVERS

Hats and distracting head covers should not be worn in designated school areas at any time, except for recognized religious purposes. Sweatshirt hoodies and other head covers that block all or part of the face are considered a violation of the dress code and to school safety.

FOOTWEAR

Footwear should contribute to the health and safety of all students and staff. Roller shoes and house slippers are not permitted. Tennis shoes/sneakers may be required for physical activity.

CLOTHING

The following administrative guidelines must be followed by all students when wearing shorts, skirts, pants, and dresses:

1. Length of shorts, skirts, and dresses must be mid-thigh or longer (please refer to diagram provided on page 40).
2. Dresses, skirts, and shorts that are too tight or too baggy will not be permitted. Items such as leggings, bicycle shorts, aerobic shorts, etc. or other tight-fitting clothing are not permitted unless covered by other approved clothing.
3. Pants that are too tight, too baggy, or too long will not be permitted.

NOTE: It is the responsibility of each student to come to school in the appropriate dress, have respect for self and others, and understand the role that appropriate dress and respect for self and others has on an orderly learning environment. Therefore, students, while attending school during the regular school day, are prohibited from wearing clothes that expose underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment. Any student who violates this dress policy is subject to the following disciplinary actions:

1. For a first offense, a student shall be given a verbal warning and the school principal/designee shall call the student's parent or guardian.
2. For a second offense, the student is ineligible to participate in any extracurricular activity for a period of time not to exceed 5 days and the school principal/designee shall meet with the student's parent or guardian.
3. For a third or subsequent offense, a student shall receive an in-school suspension pursuant to §1003.01(5), *Florida Statutes*, for a period not to exceed 3 days, the student is ineligible to participate in any extracurricular activity for a period not to exceed 30 days, and the school principal/designee shall call the student's parent or guardian and send the parent or guardian a written letter regarding the student's in-school suspension and ineligibility to participate in extracurricular activities.

VIOLATION OF THE STUDENT DRESS CODE

Any student violating the student dress code may be sent home to change, or the parent may be asked to bring a change of clothes to the school for the student. Any absence caused by a student dress code violation will be an unexcused absence for each period or day missed. A violation may also result in a suspension.

Nothing in this section is intended to keep school principals from using their best judgment as to how to best implement this code.

DRESS CODE GUIDELINE FOR STUDENTS/PARENTS

Parents: Use this quick technique to make sure your child(ren) is(are) in compliance with our Dress Code policy as to appropriate length of shorts, skirts, and dresses.

The halfway mark is defined as: while in the seated position, measure halfway from the top of the leg (the crease your hip makes when seated) to the outside of the bent knee.

EVERY STUDENT SUCCEEDS ACT (ESSA)

The Every Student Succeeds Act (ESSA) was signed into law in December 2015, amending the Elementary and Secondary Education Act of 1965 and replacing No Child Left Behind provisions. Florida's state plan continues to support the original Elementary and Secondary Education Act (ESEA) by committing to holding all students to high academic standards, preparing all students for success in college and career, and holding schools accountable for student outcomes. In support of these goals, Florida's state plan establishes ambitions, rigorous academic standards for all students; measures mastery of those standards and publicly reports results and informs parents of individual student performance. If you have any questions regarding ESSA, please contact the Coordinator of Title I at the Citrus County School District office.
