

GRADE ORGANIZATION

The Bonneville Joint School District No. 93 has instructional levels for grades kindergarten through twelve. The grouping and housing of instructional levels in school facilities shall be according to plans developed by the Superintendent and approved by the Board.

Guidelines

1. Instructional programs shall be coordinated between each grade and between levels of schools.
2. Grade level determinations will be based on the following criteria at each grade level:
 - a. Age in grades K–6;
 - b. Attainment of academic and attendance requirements in grades 7–8.
 - c. Number of credits earned toward graduation in grades 9-12.
3. Students will officially matriculate to the next grade level on the first day of the commencement of the school year or in high school when a sufficient number of credits have been earned and officially transcribed.
4. In high school, student's grade levels may also be changed after earned credits are officially transcribed.
5. Factors to be considered in classroom assignments are:
 - a. class size,
 - b. peer relations,
 - c. learning style of students,
 - d. instructional style of individual teachers,
 - e. classroom teacher's recommendation, and
 - f. any other variables that will affect the performance of the student.
6. The criteria for grouping should be based upon the learning goals and objectives being addressed and the student's ability to achieve those purposes.
