J.W. Mitchell High School
2023 – 2024 Course Selection Form

Student Name: _____   Student ID: _____   Grad Year: 2027 2026 2025 2024

Students need to reference the graduation requirements when selecting classes. Students must be enrolled in 6 classes, regardless of the number of high school credits previously earned.

- *eSchool/FLVS*: If a student chooses to take an online eSchool class, they can choose to take it in our on-campus eSchool lab or off-campus. Students are allowed **no more than one** on-campus eSchool placeholder. If a student chooses to take a class off campus, the off-campus placeholder must be at **the end of the day** AND the student must have **daily transportation to leave campus.** Note: Students **CANNOT** stay on campus during an off-campus placeholder.
- *Dual Enrollment*: All DE students must also fill out an online Dynamic Form requesting classes at JWMHS as well as those online/at PHSC or via Pasco eSchool. Students taking off campus PHSC classes must register for their classes through their WISE account on the PHSC website. Students taking DE classes online or off-campus, must pick up books as outlined on the district Dual Enrollment page. Off-campus PHSC placeholders must be at the end of the day and students must have daily transportation to leave campus. Go to http://www.pasco.k12.fl.us/oll/page/dual-enrollment for more information.
- *Advanced Placement/AICE:* If taking an AP or an AICE class, the student is expected to take the two-day AICE exam in April and the AP exam in May. If the student misses an AP exam or drops the class once AP exams have been ordered, they will be charged a fee (~$40) to return the AP exam.
- *Schedule Change Policy*: A schedule change will not be granted because of teacher preference, low grades, class demands, or the student is overwhelmed with extracurricular activities. Please choose classes carefully that meet your goals and extracurricular demands. Valid reasons for a schedule change include: computer or counselor error, previously failing a required course, passing a course in summer/extended school day, lacking a grad requirement, and/or lacking proper prerequisites. Note: A change request may require the entire schedule to be altered including teachers and periods. Once a schedule has been changed, it cannot be changed back to the original schedule.
- ***Teacher signatures/recommendation must be obtained for ALL CORE Honors/AP courses.***

Choices made are subject to school approval based on graduation requirements, adjustments due to course failure, staffing, scheduling requirements, and/or conflicts/class loads. Elective choices will be replaced with alternates if primary selections are unable to be scheduled. Many courses have pre-requisite requirements. Please see the course catalog on the school website (jwmhs.pasco.k12.fl.us) for course descriptions, recommended prerequisites, and sample course pathways.
