

HMH – Florida Collections

Viewing Interactive Lessons using SMART Express on your Promethean Board

1. Log in to HMH at my.hrw.com using your login and password.

2. Select the yellow “Teacher Resources” from the Resources Section.
3. In the new tab click on Interactive Whiteboard Lessons.

4. Select “Explore all presentations and teacher resources >”

Use the dynamic instruction, interactive practice, and review games to motivate and teach the whole class or small groups.

5. Click on the Interactive Whiteboard Lesson that you want to use. Then click on Lesson under Downloads

6. The lesson will download, and it will save in your download folder.

7. In a new tab in your browser (it works in Chrome) go to <http://express.smarttech.com/#>

The screenshot shows the SMART Notebook Express website. At the top left is the SMART logo. To its right is the text "Welcome to SMART Notebook Express" in green. Below this is a tagline: "View, save and interact with SMART Notebook files online, at no charge." There are three icons representing different locations: "At School" (a school building), "At Home" (a house), and "Anywhere You're Connected!" (a globe). Below these are two buttons: "Open an existing Notebook file" (blue) and "Create a new Notebook file" (green). At the bottom, there is a link for "Download SMART Notebook Express Software" and a footer with contact information and terms of use.
