

Exploring Two-Dimensional Art (#0101005)

Instructor: Amy Kurtzrock-Wilson
Email: awilson@pasco.k12.fl.us
CSRMS: (813) 346-1200
Room 02-119

Overview

Welcome to Exploring Two-Dimensional Art. This course is designed for 6th grade students who express an interest in fine arts. Students will investigate a wide range of media and techniques, from both an historical and contemporary perspective, as they engage in the art-making processes of two-dimensional works, which include drawing skills, painting, printmaking, and collage. Students will reflect on their own artwork and that of others through critical analysis to achieve goals related to craftsmanship, technique, and application of 21st-century skills.

Discipline

Students are solely responsible for their own behavior. Class sizes are large, and student's success depends on how they act with their fellow students and instructor. In order to make this an enjoyable learning experience for all, students need to adhere to the school rules while working in the art room. If students choose not to obey the school rules, they will not be allowed to do the project, but will instead be assigned to an alternative learning situation.

Evaluation

Art is not a pass/fail class. Assignments will be given with vocabulary, a rubric and a time schedule to complete their artwork. Assignments and grades will be posted on *My Student*. A= 100-90, B = 89-80, C= 79-70, D= 69-60, F= 59 & Below. Project grades are based on following a rubric, Elements of Art & Principles of Design, creativity, originality, work ethic, craftsmanship, and skill.

25% Studio Habits: Getting to class on time, coming prepared for class *like a pencil*, self-directed, working ethic, staying on task, completing assigned work during class, cleaning up materials, and using tools in a responsible manner: Students will earn 5 points daily.

Please Note: Students are not to text, play video games, watch videos, during class, failure to follow this policy will result in -10 points off studio habits for the week. **Any student found misusing the supplies/equipment or throwing objects will possibly receive a referral and will be removed from the art room by the instructor's discretion.**

50% Projects

25% Tests/Art Scholastic articles

Attendance

Attendance is extremely important to the success of your child. It is the student's responsibility to request make-up work if they are absent. They will be responsible at home for spending 40 minutes each day they are absent practicing contour line drawings. If a student is absent for an extended period of time will have art scholastic articles and/or assignments on Canvas to be turned in for a grade during their absence.

Per Board Policy-2240 Controversial Issues

The Board recognizes that a course of study or certain instructional materials may contain content and/or activities that some parents find objectionable. If after careful, personal review of the program lessons and/or materials, a parent indicates to the school that either the content

or the activity conflicts with his religious beliefs or value system, the school will consider a written request for his child to be excused from a particular class for specified reasons. The student, however, will not be excused from participating in the course and will be provided alternate learning activities during times of such parent requested absences.

Exploring Two-Dimensional Art (#0101005)

Students will be given this form in class to bring home to be filled out signed by a parent.

Safety

Your child is enrolled in an Exploring Two-Dimensional Art Class at Charles S. Rushe Middle School. As a part of this class, your child will be expected to take part in activities as directed by the Florida Department of Education to meet student performance standards as outlined in the curriculum frameworks. Many of these involve the use of sharp hand tools that are deemed appropriate. If the student ignores safety rules, the misuse could lead injury.
