WASC Mid Cycle visit	<p>Update:</p> <ul style="list-style-type: none">• IPES Dec 2020 VC Summary Mid Cycle Visit Report• The WASC Visiting Committee found that we were working on our critical need areas. significant changes due to the COVID situation, IB was stopped due to financial constraints, intervention opportunities, school closure and things were postponed, Aloha Center and Mindfulness center hopefully will be able to be reopened when the kids return to school.• To work on Action Plan• Did very well at the virtual visit by the WASC Visiting Committee <p><u>Excerpt from the December 2020 WASC Mid Cycle Report</u></p> <p>Growth Areas for Continuous Improvement: The visiting committee concurs with the school's identified areas for growth:</p> <ol style="list-style-type: none">1. School administration and staff continue to support consistent grade level data team protocols including common formative assessments, and the analyzing and monitoring of student data to effectively target instruction to address identified student learning needs through interventions.2. School administration and staff continue to implement the Comprehensive Student Support System including RTI-A and RTI-B systems to support student needs and help reduce achievement gaps.³3. School administration and teachers continue to collaborate to determine needed PD, support and other training as they effectively integrate the CCSS, NGSS, and other school/complex initiatives.
