What Are We Learning?

Math

- I can find the volume of a rectangular prism. I can convert measurements in metric and customary units.

Reading

- I can identify the elements of poetry and types of figurative language.

Writing

- I can use writing techniques in order to respond to a Milestones prompt.

Science

- I can identify examples of naturally occurring electricity.

Social Studies

- I can explain how amendments to the U. S. Constitution have maintained a representative democracy/republic.

At Home

Help your child practice their multiplication and division facts each week. You can have them do flashcards or students can play interactive games using this site:
https://www.mathplayground.com/index_multiplication_division.html

Announcements

- Grades are updated weekly in Infinite Campus. If you see a **59** that means that the student did not turn the assignment in and it is missing.
- If your student is absent, please email the excuse to: NHEattendance@henry.k12.ga.us
- Chromebooks need to be charged every night!
