What Are We Learning?

Math

- MGSE5.G.2 Represent real world and mathematical problems by graphing points in the first quadrant of the coordinate plane, and interpret coordinate values of points in the context of the situation.

Reading

- RL5: Explain how a series of chapters, scenes, or stanzas fits together to provide the overall structure of a particular story, drama, or poem.

Writing

- ELA5W3: Write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences.

Science

- S5P3. Obtain, evaluate, and communicate information about magnetism and its relationship to electricity.

Social Studies

- SS5CG1 Explain how a citizen's rights are protected under the U.S. Constitution.

At Home

Help your child practice their multiplication and division facts each week. You can have them get on Compass or do flashcards. In addition, students can play interactive games using this site:

https://www.mathplayground.com/index_multiplication_division.html
