English	8 credits	Arts/Humanities	2 credits
Speech	1 credit	Health	1 credit
Mathematics	6 credits	Financial Literacy	1 credits
Science	6 credits	<u>Practical Arts</u>	<u>2 credits</u>
Government	2 credits	Total Core	33 credits
US History	1 credit	<u>Electives</u>	<u>16 credits</u>
Economics	1 credit	Total	48 Credits

Additional Courses Recommended for Post-Secondary Studies

Foreign Language: 4 credits – 2 years of same language

Math: 8 credits – 4 years

Science: 8 credits –4 years

Middle School Credit

If a middle school student completes any required high school course with a grade of C or higher before entering the 9th grade, and if that course meets the same standards that are required in high school and the course is taught by a teacher certified to teach high school content, then the student has met the high school content area requirement for such course. The student shall be given a grade for the successful completion of that course and the number of credit hours assigned to the course shall be transferred to the student's high school transcript. The student's parent or guardian shall be notified in advance when credits are going to be transcribed. However, the student's parent or guardian may elect to not have the credits and grade transferred to the student's high school transcript. The student still must complete the required number of credits in all high school core subjects identified above in addition to the courses completed in middle school.

Senior Project. A student must complete a senior project that includes a research paper and oral presentation by the end of the student's 12th grade year. Additional requirements for the senior project are at the discretion of the District.

Idaho Standards Achievement Test (ISAT)

In addition to obtaining the necessary credits as outlined above, students will take the Idaho Student Achievement Test (ISAT) as defined by State Board of Education rules.

College Entrance Examination. A student must take one (1) of the following college entrance examinations before the end of the student's 11th grade year: COMPASS, ACT or SAT. (this is no longer a state requirement, but it can continue to be a district requirement)

Civics Test

All secondary students must successfully pass the civics test or alternate path. "Civics

test" as used herein means the 100 questions used by officers of the United States Citizenship and Immigration Services as a basis for selecting the questions posed to applicants for naturalization.

The District will determine the method and manner in which to administer the civics test. The District will document on the student's transcript that the student has passed the civics test.

The applicability of this requirement for students who receive special education services will be governed by the student's Individualized Education Plan.

Honor Roll

A student must have a minimum GPA of 3.5 and no grades lower than a "C" to be placed on the honor role.

Class Rank (GPA)

GPA's will be calculated to the nearest thousandth to determine class rank using semester grades. This will be based on a 4.0 grading system.

Additional Requirements

As a further condition of graduation, and as a condition of issuance of a diploma or certificate, or as a condition for issuance of a transcript, all indebtedness incurred by a person when he or she was a student must be paid. Furthermore, all books or other instructional material, uniforms, athletic equipment, advances on loans, or other personal property of the school district borrowed by the person when he or she was a student of the district must be returned. The payment of fees may be excused upon an adequate showing of financial need or other exigency.

Credit Calculation

Credits toward graduation requirements cannot be counted more than once for meeting the minimum requirements.
