

Our art program at Mulberry Creek follows the state requirements for art known as the QCCs (Quality Core Curriculum Objectives). They are as follows:

****** *Studio Production*** – developing skills and knowledge through the creating, performing, and producing of art.

****** *Connections*** – applying concepts and ideas to other subjects and to our world through art.

****** *Critical Analysis and Aesthetic Understanding*** – recognizing, talking about, and understanding art in many forms

****** *Historical and Cultural Context*** – recognizing the importance of artists, art styles, and the art of all cultures in the world while understanding history through the eyes of the artist.

Art in the making:

4th Grade Projects

- 1. Sketchbook - Drawing Exercises**
- 2. Folk Art design**

Artist/style
