TIPS FOR THE BEST YEAR WE CAN MAKE

We would suggest checking their backpack each day to see if they have their mask.

This mask will be a back up mask just in case your child forgets theirs.

BACK UP MASK

This year will certainly look different and we gently ask for patience and understanding as we all venture into this unique school year.

PATIENCE

This year we will be implementing "the 3 W's"

- - Wash your hands
- - Watch your distance
- - Wear your mask
