

Good Afternoon,

A busy week at TCHS with the welcoming of our rising 9th grade Toros at our first ever RiseUP 9th Grade event last night. We are looking at adding another 590 students to the TCHS campus next year with the addition of the Class of 2026!

We are also pleased to announce (and thanks to our amazing PTSO) our first quarterly TopToro Cookout for honor roll and perfect attendance. On Wednesday, May 18th during both lunches, PTSO members will be serving students who met one of the following criteria: 1) Perfect Attendance 2) A/B or A Honor Roll First Semester 3) A or A/B Honor Roll Quarter 3. Each student will be given a grilled hot dog with all the fixins, chips, cookie and a drink. Students who qualify for the lunch will be given a ticket during their first period class on Wednesday morning. IN ADDITION....PTSO will ALSO be passing out ice pops to ALL students during lunch as a fun celebration of the end of the school year.

If you would like to donate to this event, please [CLICK HERE TO HELP PTSO](#)

Horns Up!

Mr. Willets

****Testing Calendar Revised****

Please note the testing date change for Algebra 1. Testing will now occur on May 18th and May 19th.

Class of 2023 Senior News

Attention Rising Seniors: Leonard's Photography is now accepting bookings for the Class of 2023 senior portrait and photo sessions. Please visit <https://www.leonards.com/Welcome/>. Please select Seniors from the menu tab to view session options. Sessions do book quickly, especially since the photo sessions are done over the summer months.

Academy Updates

Celebrating Business Partners

Tocoi Creek High School business partners took home many awards at the annual Academy Awards Event. Congratulations to

- Ed Nolan of Owen Electric, a representative on the Advisory Board for the Academy of Innovation in the Built Environment for winning Individual Business Partner of the Year
- Gene Station of STG Contracting, the board chair of the Advisory Board for the Academy of Innovation in the Built Environment for winning Rookie Business Partner of the Year
- Miller Electric, a member of the Advisory Board for the Academy of Innovation in the Built Environment for winning Outstanding Partner of the Year
- Savannah Bell, a member of the Advisory Board for the Academy of Leadership in Emerging Technologies for winning Advisory Board Partner of the Year

Industry Certification Exams

- AutoCAD- 3rd attempt May 20th (note this is a date change)
- Illustrator- 3rd attempt- May 18th
- Premiere Pro- 3rd attempt- May 20th
- sUAS Small Safety- 2nd attempt- finals week, during final exam block for Robotics course

Looking for volunteer hours?

VITAS healthcare, a hospice provider in St. Johns County is looking for volunteers interested in visiting with hospice patients and families. See the image below for more information. Or contact the guest speaker from this week, Ms. Marissa Bennett at Marisa.Bennett@vitas.com.

Thinking about SJR State? Health Care Dual Enrollment?

Please join SJR staff on **Tuesday, May 24** on the SJR State Orange Park Campus for a **Health Care Open House**.

Talk with instructors and learn more about SJR State's 12 health care programs, including Medical Assisting*, Nursing Assistant (CNA)*, EMT*, Respiratory Care and more!

**Complete the admissions application during open house and SJR State will waive the \$30 application fee.*

For more information, visit <https://www.sjrst.edu/open-house.html>

SJR State Health Care Open House

Tuesday, May 24, 3:00 – 7:00 p.m.

Orange Park Campus (H building)

The event is free and open to the public.

Important Reminders

Attendance - We are excited to share that our TCHS Attendance Page is now available on our website. This page will allow you to upload all early dismissal and absentee information digitally, including doctor's notes, so there is no need to turn in any documents to the front office due to an absence. This is the "one stop shop" for everything attendance and is compatible with any computer or phone.

[Please Click Here to Access the TCHS Attendance Information Page on our School Website](#)

After turning in information to the TCHS attendance page, please allow 48 hours for us to process information in HAC. We sincerely appreciate your patience as we work to help you and your student. As always, please do not hesitate to contact the front office at (904) 547-4260 if there is anything that you need.

Early Student Dismissal – [Please review HOW TO CHECK YOUR STUDENT OUT EARLY](#)

Drivers Education Courses – TCHS is pleased to collaborate with The St. Johns County Tax Collectors Office to provide drivers education courses to our students. Please visit [SJCTC DRIVER EDUCATION PROGRAM – St. Johns County Tax Collector \(sjctax.us\)](#) or <https://sjctax.us/student-driver-education/> for more information.

Toro Athletics

Athletic Clearance: With well over 500 student athletes, we are just not able to reply to emails or phone calls to confirm that your student's clearance has uploaded. *Please trust the system unless you hear from us otherwise.* If you have issues with uploading your documents or need a blank copy of the EL2 form, please reach out to wendy.lay@stjohns.k12.fl.us.

Anyone with May participation or tryouts will need to be sure that the physical on file for 2021-22 is current. If it has expired, please upload a current one. This should be Football, Dance and Cheer.

All athletes should log in and add 2022-23 and upload the current EL2 to their clearance account. *Please do not wait* until school is out to add 2022-23. This will help to avoid delays or disruption in participation when their camps and/or season comes around. Your student's Coach, our Trainer, or Mrs. Lay will reach out if anything is needed. If their EL2/physical expires before or during season, they will need to go back in and update that as soon as they have the new one in hand.

Students who had physicals done at Spartan Orthopedic on April 23 were advised to take a photo and use that to upload the EL2 into their student clearance account.

Thank you,

Tocoi Creek High School Athletics

Guidance News

AP Students: You can send **one score report for free** every year that you take AP Exams. The deadline for choosing the college, university, or scholarship program that you want to send your 2022 AP scores to for free is **June 20**. Here's how:

- Sign in to [My AP](#) using your College Board username and password.
- Go to **My AP Profile** and select the **Score Send** tab.
- Type in the name of your college or university. When it appears on the list, select it and hit **Save**.

Good to Know

- Are you a high school junior, sophomore, or freshman? Selecting a college to send your scores to with your 1 free score send can help you stand out to that college by showing them your interest early.
- Score reports include both this year's and past AP Exam scores.

If you miss the deadline to use your 2022 free score send or you want to send additional score reports, you can order score reports online or by mail or fax anytime.

Junior Update:

School counselors will be visiting Juniors in their US History classes during the month of May! We will be completing a “super match” activity that will help students find their “best fit” schools to apply to for college. We will also be talking about how to start and finish the college application process. If you haven't already, now would be a great time to speak with your student about your family plans for location, type of school, areas of interest, etc. Once these visits are completed, the information will be shared via Schoology and the webpage.

SAT Update:

Registration for our last SAT of the spring, on June 4, is open for one more month. Juniors who haven't taken it yet should [register today](#).

Students who've already taken the SAT should link their College Board accounts to [Khan Academy®](#) so they'll be well prepared to take it again in the summer or fall

Guidance – Visit our [Guidance Services](#) page to find out how to connect with our school counselors about schedules, college planning or counseling services.

Bright Futures – New rules regarding [Bright Futures Scholarship Service Forms/Rules](#) are posted on the District Web Site and will be available in the TCHS Guidance Services office.

Registration Update:

The counselors have finished meeting with all the students to select their courses. From this point forward, all schedule change requests should be requested through the link on our website: <https://www-tchs.stjohns.k12.fl.us/registration/courses/>. **The deadline to request elective changes is June 2nd**.

SAT Update:

The SAT is designed to support the choices juniors will make about their life beyond high school. In fact, millions of students take the test each year as a step on their path to college. It's a globally recognized test that's the best way to show off the skills and knowledge colleges care about.

To get ready for test day, your teen can use the free, personalized SAT prep of [Official SAT Practice on Khan Academy®](#).

Registration for May is open, and seats are available.
