PE WAIVER STATEMENT

Only complete if your child is not taking PE.

PE Waiver Requirement: Senate Bill 610 requires the equivalent of one class period per day of Physical Education for one semester each year for students in grades 6-8. A waiver is required for students for the following criteria:

- Student requires a remedial course
- Parent requests another offered course
- Parent verifies that student participates in equivalent activities outside the school day

I have read the PE Waiver Statement and believe that my child meets one of the listed criteria for exemption and requests courses other than PE.

Online Health Agreement

Only complete if your child is taking Band, Orchestra, Chorus OR 2 semester electives in place of Health.

I understand that to take a year-long elective OR two semester electives, my child MUST take Health through Pasco eSchool and I am responsible for enrollment and monitoring completion. I understand this class will need to be completed outside of the regular school day. I understand this course is REQUIRED as it contains the Career Planning Curriculum REQUIRED for promotion in the State of Florida.

Double Advanced ACC Math 7 Agreement

Only complete if your child is taking ACC 7 Math.

I understand that to take ACC 7 Math, my child MUST take BOTH SEGMENTS of ACC 6 Math through Pasco eSchool and I am responsible for enrollment by May 1 and monitoring completion by Aug 1. I understand this class will need to be completed during the summer between 5th and 6th grade.

Middle School Promotion Requirements

Middle school students are required to successfully complete three years of language arts, mathematics, science and social studies, take the Civics EOC exam, and complete a Career Planning Program.

Students who do not receive passing grades in their four core content classes (Math, ELA, Science and Social Studies) will be placed in the academic learning lab for course recovery.

Advanced and Accelerated Course Options

We believe that with the right supports, ALL students have the ability to meet high academic standards through challenging course work.

Schedule Changes

Schedule changes will not be possible once enrolled due to class-size mandates and end-of-course requirements. Classes are offered on the basis of the choices that you make. The choices that you make are binding. If you do not choose elective courses and your first choice electives are full, your classes will be chosen for you and schedule change requests will not be honored. Schedule changes will not be made because you decide that you do not want to take a course any longer. Please choose wisely as you will be taking the classes that you select.
