

ELA -

As we continue our poetry journey, this week in ELA, students will receive new vocabulary terms. Students will also read, interpret, annotate, and analyze "The Rose That Grew From Concrete" by Tupac Shakur. The homework for the week is "The Road Not Taken" by Robert Frost in Common Lit and F.4 & F.5 in IXL. The standards for this week are as follows: RL1, RL2, RL3, RL4, RL5, RI1, RI2, RI3, RI4, W1.

Math (Regular) -

This week in Math we will continue on geometry classifying and working with triangles addressing the following standard MGSE7.G.2. Please check Infinite Campus for grades and missing assignments. We will have a triangle quiz on Friday, February 3rd.

Math (Enhanced) -

This week in Enhanced Math we will begin our Statistics unit with sampling and measures of center addressing the following standard MGSE7.SP.1 and MGSE7.SP.2. Please check Infinite Campus for grades and missing assignments.

Science -

This week in Science! - S7L4a, b, c - We will continue our Food Chains/Webs conversations! The students will create their own food webs for their chosen environments. We will also discuss the different Symbiotic relationships. Have a great week!

Social Studies -

The students are learning about the economic systems in Southwest Asia. They are identifying factors that influence economic growth in Israel, Saudi Arabia, and Turkey. **SS7E6**. Continue to encourage your student to review vocabulary and notes daily. **If students need help with assignments in social studies, they may attend Beyond the Bell tutoring, Tuesday - Thursday, 3:00-5:00 pm.**
