

ELA -

This week in ELA, we will be focusing on composing and revising argumentative writing pieces, as well as preparing and reviewing for Checkpoint Challenge 5. The homework for this week is "The Echoing Green" by William Blake in Common Lit and F.6 (Figures of Speech) in IXL. The standards for this week are as follows: RL1, RL2, RL3, RL4, RL5, RI1, RI2, RI3, RI4, W1.

Math (Regular) -

This week in Math we will continue our geometry unit working with triangles, area of polygons and circles addressing the following standards MGSE7.G.2, MGSE7.G.4 and MGSE7.G.6. Please check Infinite Campus for grades and missing assignments. Check Point Challenge 5 is Monday, February 6th.

Math (Enhanced) -

This week in Enhanced Math we will begin our probability unit addressing the following standards MGSE7.SP.5, 6,7,7a and b. Please check Infinite Campus for grades and missing assignments. Check Point Challenge 5 is Monday, February 6th.

Science -

This week in Science - S7L4a, b, and c - We are finishing our Ecology Unit and will start Biomes next week! Our Checkpoint Challenge #5 will be on Thursday, February 9th. Have a wonderful week!

Social Studies -

As we continue our study of Economics in Southwest Asia, the students are learning how the decisions of Organization of Petroleum Exporting Countries (OPEC) affects American consumers. They are identifying the countries in Southwest Asia that are benefiting from the distribution of oil. **SS7E5, SS7E6**. Encourage your student to review vocabulary and notes daily. **CPC5 will be administered February 6. The students have been provided with a study review.**
