

ELA -

This week in ELA, students will continue to prepare for the Georgia Milestones Assessment by participating in various activities to specifically target each students' weakness. Our homework for the week is "Abuelito Who" by Sandra Cisneros and E.4 (Text Structures) in IXL. The standards for this week are as follows: RL1, RL2, RL3, RL4, RL5, RI1, RI2, RI3, RI4.

Math (Regular) -

This week in Math we will complete our Probability unit and begin our unit on Statistics addressing the following standard MGSE7.SP.4, SP.7, and SP.8. Please check Infinite Campus for grades and missing assignments. Probability quiz on Tuesday.

Math (Enhanced) -

This week in Enhanced Math we will continue our unit on linear equations and interpret graphs addressing the following standard MGSE8.F.5 and MGSE.SP.3. Please check Infinite Campus for grades and missing assignments. Linear Equations quiz on Tuesday.

Science -

This Week in Science - S7L5a and b - We are continuing our Evolution Unit this week! We will continue to discuss Charles Darwin and Natural Selection, looking at the different finches Darwin studied and how their beaks helped them obtain food. We will also study different pieces of evidence that supports Evolution such as fossils and vestigial structures. Have a great week!

Social Studies -

The students will finish their study of environmental issues in India and China **SS7G10**. After the quiz, they will begin an analysis of the diverse cultures in Southern and Eastern Asia **SS7G12**.
