

### ***ELA -***

*This week in ELA, students will receive ten new vocabulary words and read the science fiction drama, "Sorry, Wrong Number." Then, students will complete various activities about the drama which includes highlighting the dramatic elements of the text, identifying critical symbols of the plot, explicating the overall theme, composing an original narrative, rewriting the ending of the text, and/or comparing and contrasting the visual adaptation to the text. At the end of the week, students will quiz over the vocabulary, grammar, literary concepts, and dramatic text from the week.*

### ***Math (Regular) -***

*This week in Math we will begin our unit on Equations addressing the following Standards MGSE7.EE3, MGSE7.EE4, MGSE7.EE4a, MGSE7.EE4b, and MGSE7.EE4c. Please check Infinite Campus for grades and missing assignments.*

### ***Math (Enhanced) -***

*This week in Enhanced Math we will be wrapping up Exponents and beginning Scientific Notation addressing the following standards MGSE8.EE.1, MGSE8.EE.3. and MGSE8.EE.4. Please check Infinite Campus for grades and missing assignments.*

### ***Science -***

*This week in Science! - S7L3a. - We will be diving into DNA and Genetics! We will look at the structure of DNA and write our names in DNA Code. We will also begin learning about Heredity and its discovery. Have a great week!*

### ***Social Studies -***

*We are continuing our study of the economics systems in Africa. The students are learning how natural resources, investments in capital goods and human capital, and the role of entrepreneurs are major factors that influence economic growth in Kenya, Nigeria, and South Africa. SS7E3. They are learning new vocabulary and need to review them daily. They should be prepared to take a quiz /test every 7-10 days.*
