

ELA -

This week in ELA, students will continue preparing for the Georgia Milestones Assessment by learning about text structures, reading "These Teens Have Ideas for Climate Change," and annotating the text. Our homework for the week is "Hanging Fire" by Audre Lorde in CommonLit and A.1 (Main Idea) in IXL. The standards for this week are as follows: RL1, RL2, RL3, RL4, RL5, RI1, RI2, RI3, RI4.

Math (Regular) -

This week in Math we will continue our Probability unit addressing the following standard MGSE7.SP.5. Please check Infinite Campus for grades and missing assignments.

Math (Enhanced) -

This week in Enhanced Math we will continue our unit on linear equations with slope addressing the following standard MGSE8.EE.5. Please check Infinite Campus for grades and missing assignments.

Science -

This Week in Science - S7L5a and b - We are diving into our Evolution Unit this week! We will discuss Charles Darwin and his travels to the Galapagos Islands as well as Natural Selection. Have a great week!

Social Studies -

The students are continuing to learn about the physical makeup of Southeast Asia. They are learning how the deserts, mountains, and rivers impact the lives of the people both in positive and negative ways.
