

## **ELA**

*This week we will be focusing on the writing process. The standards are ELA GSE. W1, W2 a-e.*

## **Math (Regular)**

*This week in Math we will be learning how to add, subtract, multiply and divide with decimals addressing the following Standards MGSE7.NS.1d, 2c, and 3. Please check Infinite Campus for grades and missing assignments.*

## **Math (Enhanced)**

*This week in Math we will continue our Geometry unit with transversals addressing the following standards MGSE7.G.5. and MGSE8.G.5.*

## **Science**

*This week in Science - Standards S712a and b. We will be moving on to the Levels of Organization! We will also be participating in stations using Microscopes and looking at different types of cells. We will review the content we have learned over the past few weeks about cells and their organelles while viewing the slides. Have a great week!*

## **Social Studies**

*The students have been diligent in their analyses of the environmental issues in Africa. They will have an opportunity to show what they have learned about the geography of Africa. They will complete the Check Point Challenge assessment, September 6. The standards for the assessment are SS7G1, SS7G2, and SS7G3. We will spend the rest of the week learning about the cultures (ethnic groups, religious groups) of Africa. The standard is SS7G4*
