

ELA

We will be reading "Amigo Brothers" by Piri Thomas and exploring conflict.
Standards Covered: ELA GSERL1, RL2, RL3, RL4, L4b, L5, W1, W2, W4, W5.

Math (Regular)

This week in Math we will be learning how to convert fractions to decimals using long division addressing the following Standards MGSE7.NS.1d, NS.2, 2b, 2c, 2d. Please check Infinite Campus for grades and missing assignments.

Math (Enhanced)

This week in Math we will continue our Geometry unit learning about angle relationships and transversals addressing the following standards MGSE7.G.5. and •MGSE8.G.1.

Science

This week in Science: Standards: S7L2a Parts of a Microscope and how to use them, Cell structures and functions, and Differences between plant and animal cells.

Social Studies

We are learning the importance of water in Africa and how lack of it leads to environmental issues. We will learn how deforestation and poor soil leads to desertification. Following our examination of the environmental issues, the students will have a quiz. The standard for our study is SS7G2.
