

7th Grade Mathematics (Basic and Advanced) Course Syllabus

Mr. Depue
adepue@pasco.k12.fl.us

Welcome to Charles S. Rushe Middle School! I will be your Math teacher this year and this Course Syllabus will explain my policies and procedures. I am looking forward to working with all of my students this year, both in the classroom and online. Please feel free to contact me via email or Remind (see below the Grading boxes)—communication is key!!

Textbook: Use MyLearning for the class website; homework and assessments will be located there as well. Textbook is Illustrative Math: <https://im.kendallhunt.com/>

Daily Supplies: Pencils with erasers (please have extra!!!), Whiteboard markers, sheet protectors, folder with pockets, loose-leaf paper, a notebook (optional), a highlighter, graph paper, protractor, ruler, and a calculator (make sure square root button is there).

Homework: Homework will not be assigned every night, but when it is assigned, it should take an average of 20-40 minutes to complete. **All work must be shown on your homework in order to receive ANY credit on the assignment.** If homework is not complete on the due date, late homework will be accepted with points deducted.

On time: 100% credit 1 Day Late: 75% credit Any day after that up to the end of the grading period: 50% credit

Notes: Students need to take notes in one of two places: a notebook, or in our workbooks. Either is fine with me, but please make sure you do take notes!

Conferences: Please feel free to call or email any questions or concerns regarding your child. I am always happy to work with parents and students to increase student success in my class. Team conferences may be scheduled by sending an email to adepue@pasco.k12.fl.us.

Grading Percentages
60% Tests/Quizzes
40% Classwork/Homework

Grading Scale
A = 90-100
B = 80-89
C = 70-79
D = 60-69
F = 0-59

Remind: I need all students and parents to sign up for this, please!

General classes: @depuegen

Advanced classes: @depueadv

Mr. Depue

STUDENTS: I have read this course syllabus and classroom discipline plan. I understand it and will honor it while in Math Class.

Signature _____ Print Name _____ Date _____

PARENTS: My child has discussed the course syllabus and classroom discipline plan with me. I understand it and will support it.
