**FSA Math scores, DE data; placement test and recommendation by the math teacher and/or PVMS Math Department will determine Algebra 1 Honors placement. Placement in all other Advanced Classes will be based on FSA Scores, DE data, teacher recommendations, District Matrix and class size.

If a student is required to take Accelerated Literacy per Florida State Legislature it will take place of one of the Arts or Design classes.

Students must successfully complete 3 years of Language & Literature, Math, Science, and Individuals & Society to be promoted to high school. Students complete a course with a grade of "D" or higher. If a course is not completed, students must recover the class by an on-line course through Edgenuity.

Due to state grade level requirements, class size and EOC exams, schedule change requests will be very difficult to honor this year.
