

8 - A B C D G

PMP: R W M S 504: Y N IEP: Y N

FSA: Reading Level: () Math Level: ()

NOTE: According to Florida Statute, middle school students must successfully complete (by earning a grade of a "D" or higher) Language Arts, Mathematics, Science, and Social Studies *each year* (6th - 8th) to be promoted to high school.

Per Florida State Legislature Bill passed June 2008, all students in grades 6-8 are required to have one semester of physical education each year. If your child is not scheduled into a physical education class for one semester due to other scheduling, then your signature on this course card will be used as the waiver for the above-mentioned course.

AVAILABILITY FOR ALL COURSES WILL BE CONTINGENT UPON FUNDING, SCHEDULING CONSTRAINTS AND TEACHER ASSIGNMENTS.

Due to extremely limited availability for students to take eSchool classes on campus (for classes not offered at JLMS), parents should not rely or plan on supervision for eSchool students after on campus class concludes. All students have the opportunity to start the school day at 2nd period or end the school day after 5th period in order to take online class at home.
