You are invited to participate in North Paulding High School's Eighth Grade Night/Marching Band Showcase on October 9! Eighth Grade night will look a little different this year. Due to restrictions on the number of people that can attend football games, we are unable to host eighth grade night during a football game. On Friday October 9th we will be hosting a Band Showcase, which will show what Marching Band Rehearsal is like. Eighth graders will be able to be a part of most of the Marching Band rehearsal and will perform stand tunes with the students during the performance at the end of the night. It will be a fun night where you can see just how the marching band rehearses, warms up, and performs!

Parents! You are invited to stay and watch the entire event! Once you have dropped off your student, you can head down to the stadium to enjoy the events of the night. Please observe social distancing. There is tape on the areas that need to be clear for social distancing protocols. Please observe them, we will be enforcing this seating.

There will be food trucks around during the event for you to purchase food during the event and after for the students!

We are so excited to be hosting the eighth grade students, we look forward to seeing you.

Thanks,

Teddy Mack
Director of Bands
