

8th Grade Registration Process

IMPORTANT INFORMATION FOR PARENTS!

- The scheduling process for 2021-22 school year is not complete until online registration has been successfully completed which includes submitting all required documents. See the website for a complete list of required documents. The registration will begin May 1. **Incomplete registration will result in your student's schedule being dropped. To reinstate the schedule, online registration will need to be completed. Online registration must be done by July 26, 2021 in order for your child's schedule to be available for Open House.** Please keep in mind that if your student's schedule is dropped, class selection is limited if student schedule has to be complete in July.

FAQ-

- ▶ *Anyone who is in middle school gifted automatically qualifies at high school.*
- ▶ All students are eligible to take honors courses.
- ▶ All students are eligible to take AP courses
- ▶ 9th grade students do not take foreign language, that begins in 10th grade.

AP Courses

- ▶ All students are eligible to take AP courses. If a course is full, students will be selected by grade/attendance/discipline issues.
- ▶ Many high school students take advantage of the AP program each year. AP stands for Advanced Placement and allows students to take advanced courses in high school for college credit or advanced college standing upon entrance.
- ▶ Please make sure students understand this is typically 1-2 hours of Homework per night some days and they must be willing to put in the time after school if they get behind.
- ▶ Rigor

Registration Tips

- ▶ Things to consider: Band and ROTC need to be enrolled in both semesters.
- ▶ If Coor Algebra w/ support has been selected in conjunction with Coordinate Algebra YR. Please make sure these students are provided a letter.
- ▶ Once students have opted out and decided on the classes, please highlight the 11 choices. Four academics, One PE/Health*, three top choice electives as well as three alternates.
- ▶ Inform parents that are coming to registration night that registration should only take 15 minutes once they sit with a teacher.
