

# DUTCHTOWN MIDDLE SCHOOL

“Expecting Excellence Every Day”

**Mrs. Yolanda Oatts, Assistant Principal**

**Mr. Derrick Hicks, Assistant Principal**  
Mr. Gabriel Wiley, Principal

**Mrs. Melissa Thomas, Assistant Principal**

Greetings Eighth Grade Parents,

Welcome to Dutchtown Middle School! We are excited about having your scholar in 8th grade. This year we are starting with remote learning and we are committed to excellence as we prepare them for their transition to high school. We will continue to maintain a unified and consistent standard of quality instruction, whether in person or remote in order to develop 21<sup>st</sup> century scholars.

Your scholar will be instructed by core academic teachers, who will work collaboratively in addressing the academic and diverse needs of each scholar. We are committed to upholding rigor with relevance; therefore, our scholars will have projects, assessments, and homework that support instruction. In addition to academics, exciting opportunities await our 8th grade scholars.

- Science Fair
- Literacy Days
- Virtual Field Trips
- Eighth Grade Formal (tentatively)
- High School transition: registration and class scheduling

We encourage a team approach, parent/teacher/scholar, as we work to support our scholars in their transition from middle school to high school. As the school year progresses, they will become more independent learners and grow in maturity as they begin to take on greater responsibility. Our team goal is to foster scholars in which we can all be proud.

Teamwork requires communication and we welcome your email or phone calls. We will respond to all communication efforts within 48 hours. Additionally, we will communicate with you via email, **Remind**, Infinite Campus messaging or by phone. We will also be available on Tuesdays from 12:30 - 2:10 for virtual conferences. Lastly, please access your scholar’s teacher webpage found on our school website to sign-up for “**Remind**” text messaging and to review additional pertinent information. We look forward to a successful school year!

Sincerely,  
8th Grade Teachers

155 Mitchell Road Hampton, Georgia 30228
