5th Grade  
Weekly News  
Date: 9/12 - 9/16/22

ELA (Reading, Writing, Grammar:

**Grammar:** We are learning to use correlative conjunctions.

**Writing:** We are learning to link ideas in informational writing.

**Reading:** We are learning to explain the relationships or interactions between two or more scientific ideas and concepts on specific topics.

**Book:** Ice to Steam: Changing states of Matter - Nonfiction/Informational Text

**Math:** We are learning to multiply multi-digit whole numbers using the standard algorithm.

We are also learning to use multiple strategies to divide up to 4-digit dividends by 2-digit divisors.

**Science:** we are learning how to classify plants as seedless or seed-producing plants. we are learning about the behaviors of plants.

**Beginning soon:**

As part of our Disney theme, this year we will have a Mousketeer of the Week!

We will spotlight one student who is **exceeding** 5th grade behavior and character expectations!

**Important Dates & Information**

**10/6:** Report cards  
**10/13:** 4-H meeting during science time

Parent conference letters were sent home 9/7 and 9/8/22. Please return them as soon as possible with either the correct information checked so we can plan accordingly.
