## **CORE RE-EVALUATION FORM (ENGLISH, MATH, SCIENCE, SOCIAL STUDIES)**

All core courses must be recommended by the student's current teacher in that subject. If students feel they have been recommended for the wrong course or if they want to take a less rigorous course (Honors instead of AP or Standard instead of Honors), the student may fill out the core re-evaluation form [CLICK HERE](#).

**If students meet the progression for the course**, the counselor will approve it and students should be able to see the course in HAC prior to the end of the school year.

**If students do not currently meet the progression**, student's request will not be reviewed until final grades have been posted and test scores return over the summer.
