

9th Grade Orientation/Registration Tuesday August 1st 8:30AM -12:30PM

On August 1st all freshmen students will converge on Hudson High School for the 9th Grade Summer Orientation. This orientation day is only for the freshmen class, and will focus on easing the transition from middle school to high school. A large portion of our Hudson High School staff will be on hand to lead students through orientation sessions. We will also have leadership students here serving as orientation leaders for the freshmen.

The summer orientation will focus on how to: navigate the cafeteria, check in when you arrive to school late, get to your classes on time, and be organized. We will also focus on policies and procedures such as dress code, how and when to access the School Resource Officer, and how to understand your GPA, where and who to go to for guidance or academic help. The main focus of this half-day session is to build the foundation of a relationship between the students and their new school. Students who attend this orientation will receive their schedules at the end of the day. Students not in attendance will have to receive their schedules on the county-wide orientation day which is on Tuesday August 8th with all other grade levels.
