# SOUTH FORSYTH HIGH SCHOOL

## 2018-2019 REGISTRATION & TRANSITION

Future South Forsyth High School War Eagle Students and Parents – We are excited to have you join our War Eagle family! We have several events planned to help ease the transition into high school. SFHS offers elite academic, athletic, career and technical, as well as visual and performing arts programs. Our students are supported, encouraged, celebrated, and consistently challenged to strive for excellence in all that they do. The next four years will be both challenging and engaging as students participate in rigorous academic courses and experiential learning opportunities. Outside of the classroom, SFHS takes great pride in offering a wide variety of clubs and activities designed around various student interests and abilities. We believe that before and after school activities are an important part of the high school experience and we encourage our students to get involved with our school community. As you and your student(s) prepare for this next step in their education, please take advantage of our upcoming events that will provide in depth information about high school course registration, student schedules, and academic planning for the future.

All rising 9<sup>th</sup> grade students & parents are invited to the SFHS campus for the following events:
