Scott Feldkamp, Principal

Elizabeth Ihle, Assistant Principal

To: Parents and Guardians:

We are halfway through the school year and, believe it or not, it is time to start thinking about the transition to high school. We have been busy planning a variety of activities to help make the transition as smooth as possible. Please pay **careful attention** to all communication regarding transition activities. Continue to check the website for the high school your student will be attending for upcoming events and information.

Some of the scheduled events are for students, some are for parents, and some are for both. **It is imperative that your student is present for all transition activities. Parents should make every effort to attend as many events as possible.** There is a lot of information to consider and some of the choices you make in the next few months will impact the next four years.

Parents: Please make certain you have your access code to Parent Portal **before** attempting to register your student for 9th grade electives. You may obtain your Parent Portal code by contacting Ms. Blanchard at BeBlanchard@forsyth.k12.ga.us or 770-667-2580 ext. 230301.

The following dates and times are already scheduled. We will notify you if there are any changes.
